Year Ending, December 31st,
1911

AMESBURY COMMERCIAL PRESS, INC.
AMESBURY, 1912

TOWN OFFICERS

For the Municipal Year 1911.

SELECTMEN AND OVERSEERS OF THE POOR:

HENRY M. STOWELL, Chairman,
DANIEL A. DONNELLY, Clerk,
GEORGE W. POORE.

ASSESSORS:

MELZAR W. ALLEN, term expires 1912.
NATHAN W. FISHER, term expires 1913.
PATRICK H. MAHONEY, term expires 1914.

WATER COMMISSIONERS:

THOMAS F. MAGUIRE, term expires 1912.
RICHARD H. KANNALLY, term expires 1913.
HENRY P. PLIMPTON, term expires 1914.

TOWN CLERK:

HARRY L. HOWARD.

ASSISTANT TOWN CLERK (APPOINTED):

KATHERINE J. HIGGINS.

TOWN TREASURER:

FRANK O. PILSBURY.

BOARD OF HEALTH:

GEORGE B. COON, M. D., term expires 1912.
FREDERICK H. FULLER, M. D., term expires 1913.
THOMAS D. PLIMPTON, term expires 1914.

AUDITORS:

JOHN C. DONNELLY, THOMAS PERCY,
ELMER S. SPEAR,
(Died Oct. 26, 1911.)

PARK COMMISSIONERS:

MICHAEL F. McCARTHY, term expires 1912.
CHARLES S. BIRD, term expires 1913.
GEORGE H. KINGSBURY, term expires 1914.

TREE WARDEN:

PHILIP R. ALLEN.

COLLECTOR OF TAXES:

HARRY A. WHITING.

HIGHWAY SURVEYOR:

PATRICK A. GINLEY.

SCHOOL COMMITTEE:

PATRICK H. MAHONEY, term expires 1912.
PHILIP R. ALLEN, term expires 1912.
WINIFRED F. McCARTHY, term expires 1913.
ELIZABETH H. VOSE, term expires 1913.
J. EDWARD PLIMPTON, term expires 1914.
EDWARD L. SHEPARD, term expires 1914.

SUPERINTENDENT OF SCHOOLS (APPOINTED):

FREDERIC W. KINGMAN.

TRUSTEES OF PUBLIC LIBRARY:

ELEANOR W. GUILD, term expires 1912.
HORACE C. METCALF, term expires 1912.
MARTHA M. ALLEN, term expires 1913.
MARIAN E. CHILD, term expires 1913.
LEWIS F. FALES, term expires 1914.
WILLIAM F. SMITH, term expires 1914.

CONSTABLES:

HOWARD PATTON, WILLIAM P. CROWLEY,
WILLIAM F. RIORDAN.

FENCE VIEWERS:

FRANK DOUGLAS, GEORGE H. KINGSBURY,
EDWARD C. SNYDER.

SURVEYORS OF LUMBER:

PERCY E. TISDALE, AMOS L. HAMILTON,
ALTON N. CLARK, HENRY A. MORSE,
GEORGE H. KINGSBURY.

MEASURERS OF WOOD AND BARK:

GEORGE H. KINGSBURY,	HORACE W. MANN,
FRANK L. GOULD,	NATHAN W. FISHER,
AMOS L. HAMILTON.	

FIELD DRIVERS:

DANIEL A. DONNELLY,	HARRY TURNER,
JOSEPH HAZLETT,	FRANK RYAN,
FRED BELL,	MAYNARD TERPSTRA.

TOWN OFFICERS APPOINTED BY SELECTMEN.

REGISTRARS OF VOTERS:

JOHN M. SMITH, term expires 1912.
 JOHN S. ALLEN, term expires 1913.
 WILLIAM A. JEPSON, term expires 1914.
 HARRY L. HOWARD, ex-officio.

CHIEF OF POLICE:

HOWARD PATTON.

SPECIAL POLICE OFFICERS:

HOWARD PATTON,	HARRY L. GUILD,

EDWARD C. SNYDER.

SUPERINTENDENT OF MOTH SUPPRESSION:

PHILIP R. ALLEN.

FOREST WARDEN:

HORACE A. SPEAR, JR.

TOWN BOOKKEEPER:

KATHERINE J. HIGGINS.

REPORT OF THE SELECTMEN AND OVERSEERS OF THE POOR.

To the Citizens of the Town of Walpole:

We submit to you our report for the year 1911. To it are appended the reports of the various elective and appointive officers, also a complete record of the receipts and disbursements of the town for the year ending December 31, 1911.

The Board organized as follows: Henry M. Stowell, Chairman; Daniel A. Donnelly, Clerk; George W. Poore.

FINANCIAL CONDITION OF THE TOWN.

The town debt for outstanding notes and bonds is divided as follows:

Water Loan ,	\$ 94,900 00
East Walpole School notes,	7,900 00
School playground notes,	4,900 00
High School notes,	32,240 00
East Walpole Engine House notes,	7,500 00
Stetson Bridge note,	1,000 00
	<hr style="width: 100%; border: 0.5px solid black;"/>
	\$148,440 00

Of this amount, the Water Department will, no doubt, take care of the bonds and notes of their department as they mature, but the balance must be raised by taxation each year as the notes become due.

All bills presented against the Town for the year 1911 have been paid. All taxes previous to this year's commitment have been collected and there is an unexpended balance, which is available for transfer, amounting to \$6,480.61.

We consider the Town in an excellent financial condition and will compare favorably with other towns of the same size and resources.

OUTSIDE POOR.

This account has been much larger this year than heretofore, owing, perhaps, to the increasing population of the town and also to the fact that the names of those aided do not now appear in the

report. We have at present, three persons being supported at the Canton almshouse and we are also entirely supporting two families, one of ten persons and one of four. We are also helping to a more or less degree, several families and individuals. Every case where application for aid has been made has been carefully investigated, and aid given in worthy cases. A larger appropriation will be needed for this account the coming year.

STREET LIGHTING.

In April, as per vote of the Town, the Board signed a ten-year contract for street lighting with the Edison Electric Illuminating Company of Boston, which went into effect May first, whereby the Town receives a ten per cent discount. There are at present:—

306 forty-candle power lamps,
12 sixty-candle power lamps,
2 one-hundred-candle power lamps.

We have extended the service to West Walpole and to the Norwood line, both on Main and Mylod Streets, in accordance with the vote of the Town. We have also added lights where it seemed necessary, and increased the candle power of some of the lights around the centres. Beginning May first, the all-night schedule was adopted, which has been generally satisfactory, and we would recommend a continuation of this schedule during the coming year.

POLICE DEPARTMENT.

In March, Mr. Howard Patton was appointed Chief of Police and several special officers were appointed whose names appear in another part of the report. On December 22d, Mr. Patton asked for a three months' leave of absence without pay. His request was granted and Mr. William F. Riordan was appointed Acting Chief of Police.

We would recommend that more money be appropriated for this department during the coming year in order that an extra patrol officer may be employed in the centre for all night duty.

ENFORCEMENT OF THE LIQUOR LAWS.

The Town appropriated \$500 at the annual March meeting for the suppression of illegal sale of liquor with the stipulation that \$400 of this amount be spent under the direction of the Selectmen for an outside officer. During the year, our local police have watched for the illegal sale of liquor and made arrests and secured conviction in one or two cases. During the summer, we engaged a special liquor officer who came to the town, but he failed to give us any information. We would recommend that this appropriation be carried over to next year to be used by the Selectmen for the same purpose.

ELM STREET AND ELM STREET RAILROAD BRIDGE.

The former Board of Selectmen petitioned the County Commissioners for the widening of Elm Street Railroad Bridge and the relocation and widening of Elm Street. In connection with this, Mr. E. Worthington of Dedham was engaged to make a layout of that portion of the street which it was thought necessary to relocate and widen. An arrangement was made with the New York, New Haven & Hartford Railroad Co., whereby they agreed to rebuild the bridge and the street inside of their limits if the Town would pay them the fixed sum of \$3,000. This appropriation was voted at the annual meeting in March, and after considerable delay on the part of the Railroad, work has been started. As this bridge is estimated to cost \$14,000, we think that the Town made a very favorable trade with the Railroad Company.

Elm Street was taken up later in the year with the County Commissioners, and they decreed the widening and relocation of that portion beyond the Midland Division of this railroad and the approach to the overhead bridge of the Taunton Division. The estimated cost of this work is \$1,660, the County Commissioners to pay \$500, leaving a balance of \$1,160 to be paid by the Town. It was voted at the December meeting to make a transfer for this amount. When this work is completed, the Town will acquire the triangular strip of land at the corner of Elm and East Streets, near the L. F. Fales shop, which, when properly graded, will widen and greatly improve the appearance of the street.

STETSON BRIDGE.

In accordance with the vote of the Town, the Selectmen made arrangements with the Massachusetts Highway Commissioners and the Norfolk and Bristol Street Railway Company for the re-building of the Stetson Bridge on Main Street. The Street Railway Company agreed to pay for that portion of the bridge which they use, the balance of expense to be divided equally between the State and the Town, with the understanding that the State shall take over the bridge and that portion of the road adjoining which it had not already taken. Work was begun on the new bridge in the Fall, but owing to the high water and bad weather, it was not wholly completed, therefore, this account will have to be carried over to next year. While the bridge was in the course of construction, arrangements were made for making use of the private way over the old Stetson dam as a means of travel. Our thanks are due to Mr. Albert Willett for the free use of this driveway.

PINE STREET WIDENING

The County Commissioners have decreed that Pine Street shall be widened and straightened and an appropriation will be needed at the annual meeting in order to do this work, the estimated cost of which is \$1,563.

WATER STREET WIDENING.

The County Commissioners have also decreed that Water Street shall be widened to 50 feet and have awarded the Town \$270 as their portion for this widening. As the estimated cost for the work is \$550, it will be necessary to make an appropriation for the balance at the March meeting.

TOWN HALL.

(Emergency Room and Stage Curtains).

The appropriations, amounting to \$600, for an Emergency Room and Stage Curtains for the Town Hall have not been used on account of being inadequate for the purpose and also because the question of rebuilding and enlarging the Town Hall is in the hands of a Committee and these improvements will be taken care of at that time. We would recommend that these appropriations be transferred to some other account.

HIGHWAYS AND BRIDGES.

This subject will be taken up by the Highway Surveyor in his report, but we would recommend that more money be appropriated for our highways and bridges during the next few years and that the streets around the centres be macadamized.

SIDEWALKS

A Committee has been appointed to investigate and report as to rebuilding the sidewalks of our Town. We trust that the Town will vote to do something in this matter at its annual meeting in March.

DRAINAGE OF PUBLIC LIBRARY LOT AND COMMON STREET.

The Selectmen advertised for bids for this work and the contract was awarded to the lowest bidder, Mr. Luigi Yadisernia of Franklin, for \$643.00. The work was done promptly under the direction of Mr. Frederick Tupper as Engineer. We have had no complaint from water accumulating there as before.

PERAMBULATION OF BOUNDARY LINES.

In conjunction with the Selectmen of the other towns, we perambulated the lines between the towns of Norfolk, Sharon and Westwood and record of same has been made in the Road Book.

DONATIONS.

We wish to thank Mr. Isaac Newton Lewis for the memorial statue he has erected in Lewis Square in East Walpole. We would also thank Mr. Charles S. Bird for his cash donations to the Town

for the grading of the High School grounds and Mr. George A. Plimpton for his donation to be used by the Park Board for improvements in the parks.

TOWN REPORT.

We trust that this report in its new form will meet with the approval of the citizens and we wish to thank Mr. Henry P. Kendall for the aid he has given in drawing specifications and otherwise assisting us to present the report in this style.

CONCLUSION.

In conclusion, we wish to express our appreciation to the Walpole Board of Trade for their co-operation with the Board of Selectmen, which has resulted in many needed improvements throughout the town. Also to the Walpole Improvement Federation, whose work for the future benefit of the Town must result in much good. In this report will be found the conclusions of their expert in town planning, Mr. John Nolen. We hope his report will be carefully read by the citizens of the town.

Respectfully submitted,

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE W. POORE,

Selectmen of Walpole.

WALPOLE, MASS., December 30, 1911.

IN MEMORIAM.

During the past year, the Town of Walpole has lost by death two of its most prominent citizens, William Moore and Elmer S. Spear.

William Moore, who died on February 5th, 1911, after a short illness, had served the Town as Moderator of many town meetings, was at one time Chairman of the Public Library Trustees and was affiliated with several different town committees. He was honest, independent and courageous and we believe that it would be hard to find one of the present generation who can fill his place.

Elmer S. Spear died on October 26, 1911, after a lingering illness. He had served the Town in many ways and at the time of his death was one of the Board of Auditors. The town is deprived of one of its good citizens whose loss will be felt by all.

Resolved, that a page of this Report be dedicated to the memory of these two worthy citizens.

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE W. POORE,

Selectmen of Walpole.

WALPOLE, MASS., December 30, 1911.

Respectfully submitted,

KATHERINE J. HIGGINS,
Town Bookkeeper.

REPORT OF PUBLIC ACCOUNTANT.

WALPOLE, MASS., December 30, 1911.

To the Honorable Board of Selectmen, Walpole, Mass.:

Gentlemen:—I have examined the accounts of the Town Bookkeeper, and find them correctly and properly kept and have verified all balances as shown on balance sheet.

GEORGE M. RICHARDSON,
Representing Thomas S. Spurr.

MISCELLANEOUS REPORTS.

TREASURER'S REPORT.

F. O. PILSBURY, TREASURER, IN ACCOUNT WITH TOWN OF

Respectfully submitted,

HARRY A. WHITING,

Collector of Taxes and Town Collector.

REPORT OF TOWN AUDITOR.

WALPOLE, MASS., December 30, 1911.

To the Citizens of Walpole:

At the annual election in March, 1911, the Town elected three persons to serve as its Board of Auditors. One member of the Board, Mr. Thomas Percy, removed from town early in the year.

In October, by the death of Mr. Elmer S. Spear, the Board suffered the loss of a faithful member. Mr. Spear had served the Town as an Auditor for five years, being elected to the office in 1907 and re-elected each succeeding year. He was a faithful and conscientious officer, ever ready to give his time and services to further promote the interests of the town.

I have checked the books of the Town Treasurer and find them and cash properly balanced.

In accordance with the vote of the Town, Mr. George M. Richardson, expert accountant, has been employed during the year to audit the Town books and reports them properly kept and the balances as shown by the Bookkeeper's report, are correct.

The work of the Bookkeeper is to be commended, for she has performed her duties in a thoroughly efficient manner. The duties of this office never grow less, but, on the other hand, are increasing each year. A consideration of the magnitude of the business which is done by this town should warrant a worthy appreciation of the

accurate and intelligent accounting which is given by our Town Bookkeeper.

In conclusion, I would recommend that the unexpended balance on Auditors' Public Accounting be carried over to be used for the same purpose the coming year.

Respectfully submitted,

JOHN C. DONNELLY,

Town Auditor.

ASSESSORS' REPORT.

WALPOLE, MASS., December 30, 1911.

Assessed value of personal property, April 1, 1911,	\$2,235,591 00
Assessed value of buildings,	2,693,302 00
Assessed value of land,	1,048,602 00
Total valuation, April 1, 1911,	\$5,977,495 00
The amount granted by the Town to be raised by tax in 1911 is	\$94,967 92
1,596 polls at \$2.00 deducted,	\$3,192 00
Estimated receipts deducted,	5,700 00
	<u>\$8,892 00</u>
Total amount to be raised on property,	\$86,075 92

The following taxes were committed to the Collector:

September commitment,	\$89,267 92
Excise tax,	477 03
December commitment,	949 31
Gypsy moth assessments, 1910,	144 25
	<u>\$90,838 51</u>

Rate of taxation on \$1,000: \$14.40.

Number of horses assessed,	345
Number of cows assessed,	452
Number of sheep assessed,	27
Number of neat cattle assessed,	61
Number of swine assessed,	230
Number of dwelling houses assessed,	957
Number of fowls assessed,	6,200
Number of persons assessed a poll tax only,	1,115

REMARKS.

In presenting our annual report, the Board of Assessors believe that the work of the Taxation Committee of the previous year, in conjunction with the Assessors, has had the tendency to educate the citizens in regard to the taxation laws. We are especially gratified to note that a large number of people are disposed to file sworn statements of their personal property, in accordance with the provisions of the Law, thereby assisting the Assessors in placing an accurate valuation on their personal property.

As the Town is showing a rapid growth in real estate, we would suggest that the citizens consider the advisability of appropriating a certain sum of money each year in order that an accurate survey of the Town might be made. Many of the neighboring towns have made appropriations for this purpose with splendid results and, judging from the frequent inquiries we receive as to whether the Town has a map showing the location of property, we feel sure that such a map would be appreciated.

Respectfully submitted,

M. W. ALLEN,
N. W. FISHER,
P. H. MAHONEY,

Board of Assessors.

REPORT OF HIGHWAY SURVEYOR.

WALPOLE, MASS., December 30, 1911.

To the Citizens of Walpole:

For details of expenditures on Highways and Bridges, I refer you to the Bookkeeper's Report.

Main Street from Front Street to Norfolk Street was in very poor condition so during the summer I dug up that portion and put in stone bottom but was handicapped on account of not having a steam roller. I borrowed one from Norwood but did not get it in time to put down the stone as the stone ought to be rolled first.

CULVERTS.

The culverts on Main Street need repairing, also on Washington Street in South Walpole.

BRIDGES.

The bridge on East Street opposite L. F. Fales's machine shop is in a dangerous condition and should be attended to immediately.

I would recommend that a concrete bridge be built here, also that a concrete bridge be built on Plimpton Street, as both of these bridges are not able to withstand the weight of heavy motor trucks.

PLIMPTON STREET.

The embankment on the northwesterly side of Plimpton Street should have something of a loam nature scattered over it and witch grass seed raked in.

FISHER STREET.

At the present time this street is almost impassable and requires gravelling for a distance of two miles or more.

WINTER STREET.

This street is in need of repair as heavy teams in that vicinity are doing a lot of hauling over the street.

SIDEWALKS.

The concrete sidewalks in Town are very unsightly and in some places are dangerous for travelling. The Town should make an appropriation to cover these with tar pitch and sand.

Main Street sidewalk has not been finished, as the appropriation was too small for that purpose.

TOOLS.

The road scraper and oil pipes are stored under Mr. R. H. Kannally's alleys and the remainder, three gravel screens and picks and shovels, are at my place. Within the last two years, we bought nine picks. Although we purchase the best shovels obtainable, it is hard work to make them last more than one season. The road scraper at present is in very good repair.

SNOW PLOWS.

At present, we have nine snow plows. Last winter one of the plows got disabled, so this Fall a new one was purchased. As it is more convenient to have one or two in each section of the town, they have been distributed as follows: three at East Walpole, one in the North part of the town at Mr. Winslow's residence and five in the Centre.

The Town should provide a suitable place for the storage of these tools, as they are all in fairly good condition.

STREET OILING.

Late in the summer, I asked for more money for the purchase of oil as the streets were much in need of it on account of the very dry season. An additional appropriation of \$530 was made, and a earload of oil was bought. As there was a delay of more than two weeks in receiving this oil from the Railroad Company, it was then

too late to use all of it so we have almost a tank full of oil for the coming year.

The watering cart is in such condition that it is not worth repairing.

Respectfully submitted,

P. A. GINLEY,
Highway Surveyor.

REPORT OF TREE WARDEN.

WALPOLE, MASS., December 30, 1911.

To the Board of Selectmen, Walpole, Mass.:

Gentlemen—There is nothing especially new to report this year. We have continued the trimming work and made some new planting, as far as our appropriation would allow.

We are glad to report that all of the Companies who have wires going along the highways have gone through the year, with one exception, without any complaints having to be made as to improper treatment of our shade trees.

In only one case was any trimming done without permission or without our Inspector being present, and when this was brought to their attention, the arbitrary fine of \$25 which we imposed was promptly paid and a guarantee given against any similar action in the future.

We recommend that the same amount of money be appropriated for the year 1912.

Respectfully submitted,

P. R. ALLEN,
Tree Warden.

REPORT OF SUPERINTENDENT OF MOTH SUPPRESSION.

WALPOLE, MASS., December 30, 1911.

To the Board of Selectmen, Walpole, Mass.:

Gentlemen:—I submit report herewith of work done this year on the Suppression of Moths.

We have, at the present time, some very bad infestations.

The Gypsy Moth are spreading to a large extent, although we have not found any very far away from the highway as yet.

We are glad to report that recent investigation shows that the work that has been done during the last two or three years was thorough, and that no gypsies were found there. Most of the gypsies are in the north and east parts of the Town, from a line along Stone Street to the Medfield line.

The State Authorities have told us that we must next spring have a high-power sprayer, if we are going to hold the gypsies in check. Last year we bought a small-power sprayer and it worked very well, but it cannot work quickly enough to cover all parts of the Town during the short season during which effective work can be done. The state will reimburse the Town for part of this expense. We have, for the last two or three years, expected that the State would insist on the Town spending considerably more money and they have now notified us that this must be done. It may mean the appropriation of \$2,000 to \$2,500. This is a large amount of money to spend in one year but it may mean a saving of a good many thousand dollars that we will have to spend in years to come, unless we check them now.

Respectfully submitted,

P. R. ALLEN,

Superintendent of Moth Suppression.

REPORT OF SEALER OF WEIGHTS AND MEASURES.

WALPOLE, MASS., December 31, 1911.

To the Board of Selectmen:

Gentlemen—I present for your inspection my annual report as
Sealer of Weights and Measures:

Platform scales over 5,000 lbs.,	5
Platform scales under 5,000 lbs.,	40
Counter scales,	22
Computing Scales,	6
Dry Measures,	8
Spring Balances,	12
Beam Scales,	1
Pumps,	4
Weights,	281
Liquid Measures,	5

Respectfully submitted,

H. A. SPEAR, JR.

Sealer of Weights and Measures.

REPORT OF FOREST FIRE WARDEN.

WALPOLE, MASS., December 31, 1911.

To the Honorable Board of Selectmen:

Gentlemen—The Forest Warden respectfully submits the following report from January 1st, 1911 to December 31st, 1911:

Number of woods fire alarms, 41.

Number of woods still alarms, 20.

Number of permits granted, 162.

The following were appointed Deputy Forest Wardens:

Engineer William F. Riordan.

Engineer Thomas H. Smith.

Engineer Edward C. Snyder.

Engineer James Hennessey.

Thomas M. Crowley.

William Ware.

C. A. Miller.

F. A. Fisher.

Respectfully submitted,

H. A. SPEAR, JR.,

Forest Fire Warden.

EAST WALPOLE FIRE STATION.

REPORT OF BUILDING COMMITTEE.

The contract for this building was awarded to A. A. Appleby & Co., of Norwood. The original contract has now been completed except for a few small details. After the contract was awarded, we were instructed to fit up a Police Room and cell room in the basement. This will be finished in a very short time.

At a later meeting, we were instructed to fit up the horse stalls and equipment so that horses could be stabled there for immediate use at night. We have the plans and specifications for this work and will make a final report at the annual meeting in March.

Respectfully submitted,

GEORGE R. WYMAN,
THOMAS F. MAGUIRE,
THOS. M. CROWLEY,

Committee.

December 30, 1911.

REPORT OF INSPECTOR OF WIRES.

WALPOLE, MASS., December 30, 1911.

To the Board of Selectmen:

The pole lines and wires of the town have been inspected and found, in most cases, to be in good condition. Where changes in construction have been necessary the companies owning the lines have willingly made them.

The wiring of a number of houses has been inspected and made to conform to the rules and regulations of the New England Insurance Exchange.

There is one thing in particular which I wish to bring to your attention. It has been the custom of this and other towns to grant several different companies pole locations on the same street, which means more than one line of poles on a street. This, in my opinion, is a very bad condition, as at the best, pole lines are not things of beauty, especially when in almost every case a single line of poles would be sufficeint to carry all wires on the street. If possible, I would like to have some regulation or by-law accepted by the town which would stop the granting of more than one pole line on a street, unless it be proved that it is an absolute necessity to have more.

Respectfully submitted,

F. A. HARTSHORN, JR.,

Inspector of Wires.

REPORT OF THE BOARD OF HEALTH.

To the Citizens of Walpole:

The following is respectfully submitted:

The year 1911 has been an average one so far as the prevalence of diseases dangerous to the public health are concerned. Fourteen cases of scarlet fever, three of typhoid, ten of measles, twelve of chicken-pox, seven of tuberculosis, two of cerebro-spinal meningitis, ten of diphtheria, eleven of whooping cough, have been reported.

TYPHOID FEVER.

Of the three cases occurring during the year, one was at the north and two from the east part of the Town. An investigation was made by the Board, ably assisted by one who has made a life

study of sanitation and who is skilled in tracing the sources of epidemics, Mr. Horatio N. Parker, of the Institute of Technology. It was found that all these cases probably came from a case in an adjoining town, and measures were at once taken to isolate the cases and to prevent any possible spread of the disease. In this the Board was successful and we are glad to report that the cases were limited to the original number. In the investigation the dairies of the east end of the Town were visited, and conditions were found generally good. The public should use great care in the handling of milk bottles. They should never be used except as containers of milk and for milk alone. Should always be rinsed out with hot water before returning to the milk-man and when empty should be kept in a small open box nailed or fastened to the outside of the house, out of the reach of children, where the milk-man may get them, clean and free from contamination as possible. This should be done by every family in the Town having milk left at the door. It is also required by law that cleanliness shall be observed in the care of milk jars and cans.

In this connection, it is well to note that in a town in which there is no sewerage system, it is not unlikely that a soil favorable to the typhoid germ may easily be developed where people allow their dwellings and surroundings to become filthy, where they are remiss in sanitary matters and in personal hygiene, where they do not attend to the strict cleanliness of the animals and do not insist on the proper cleanliness of the implements used in the handling of milk, in the drainage of stables and dwellings. People using care and cleanliness have little to fear in the way of contagion unless, as in the case mentioned above, the source is from beyond the limits of the town. Even then, if the above precautions were observed, it would be next to impossible for typhoid to obtain a foothold.

There is another source, however, little thought of by the general public as a means of the conveyance of filth and contagion and that is the common housefly, and a certain kind of mosquito. The housefly has a breeding place in and around decaying animal and vegetable matter, around open sink drains, stables, pig-pens, etc. It has been proven that these insects from their breeding places have gone directly in houses not screened, to the food on the table, to the pantry, and live cultures have been obtained of typhoid bacilli and other germs from the feet and bodies of flies.

All dwellings should be screened to guard against the filth and contagion brought about by flies. All outbuildings and refuse heaps in the vicinity of the provision stores of the town must be done away with, unless said outbuildings are of fly proof construction; well boarded, with hinged doors with springs so that they may be never allowed to be kept open. Properly fitting covers in back are also an essential and the above changes, will in the immediate vicinity of these provision stores be insisted upon, as will also frequent cleaning and the use of chloride of lime.

CONDITIONS IN EAST WALPOLE.

The annual inspection during the summer brought to our notice the unsanitary condition of three or more tenement houses on Washington Street, which was brought to the attention of the several owners and in all but one instance suitable repairs were made. In this one premises, should such a condition of unsanitation again present itself, the premises must be condemned.

In East Street the low land between June Street and the new tennis courts, but more especially the portion behind the Sansone property has presented an almost perennially perplexing problem to your Board, and they in turn have met with criticism for not taking what seemed to be necessary steps to correct the lack of drainage in this situation.

This matter properly comes under the Commission appointed to consider the pollution of the Neponset river, and its tributaries, and is a part of the territory where, if any action is to be taken, it should be under the direction and control of the State Board of Health.

Should the Town, however, desire the immediate removal of the present condition, or rather to take steps to promote the drainage of this locality, it would mean the construction of a drain about one-half to three-fourths of a mile in length to carry the water from June Street across Pleasant Street to Union Street, which would entail an expense which the Town would probably be loath to entertain.

Nevertheless, something radical should be done and yet whatever way is recommended short of a sewer must be largely experimental.

We therefore feel that it would be manifestly unjust to compel the householder to sustain an expense in carrying out any plan of disposal of sewerage, the result of which is problematical, and not likely to be acceptable when completed.

We feel, however, that this drainage problem is a grave menace to the public health and deserves most serious consideration.

Two Acts of the Legislature of 1911 are of special interest to the Town. The first requires that every animal slaughtered for food (unless such animal is not to be sold and is under six months when killed) must be inspected *at the time of slaughter*, and it is illegal and punishable by a heavy fine to sell as food an animal or any part thereof, which has not been inspected and stamped. Mr. Edward L. Shepard has been appointed as inspector.

The second Act has to do with the construction of a hospital for contagious diseases in a Town or two or more towns may unite and construct and maintain such a hospital. Owing to an omission in the Act as to how the hospital shall be administered it is doubtful whether the town will be called upon to appropriate money this year, although it will be obliged to do so doubtless another year, as a penalty is attached, provided an appropriation is not forthcoming after request by the State Board of Health.

This Act is mandatory inasmuch as towns which refuse to establish such a hospital when requested to do so by the State Board of Health are liable to a penalty for each refusal.

from seventy to eighty years,	8
over eighty years,	4
Total,	53

Rate of mortality was ten per thousand.

REPORT OF PARK COMMISSIONERS.

WALPOLE, MASS., December 31, 1911.

To the Citizens of the Town of Walpole:

The Bookkeeper's Report gives in detail how the money appropriated by you has been expended by us.

High School Grounds: This has been the most important work we have had to finish. The appropriation of \$3,000 was based upon the Engineer's statement that we would require about 1,700 yards of loam. We found, however, that in order to do a thoroughly satisfactory job, we would require about 2,600 yards. Therefore, the question of first importance was where we could get such a large quantity of good loam within a reasonable distance. Through a combination of fortunate circumstances, we finally succeeded in securing all we needed within 200 yards of the High School.

We employed as Resident Engineer, to have direct charge of the work, Mr. Edmund Grover, who did excellent work.

Mr. W. F. Carberry acted as overseer and employed 18 or 20 Italians, whom we housed on the spot.

Because of the sandy sub-soil, the job was both difficult and expensive. On top of the sand we put a layer of turf wet down thoroughly with the Town Hose and compacted by teaming over it. Over this turf we put frequent layers of loam up to a final depth of about 18". The constant teaming over this prevented, to a large extent, future settlement. Two carloads of well pulverized manure were evenly distributed and spaded in and the lawn carefully seeded and rolled.

Along the front of the building, under the eaves, we constructed drainage trenches of broken stone. Finally we built a good gravel sidewalk about 600 feet in length on Common Street and then planted a hedge of Japanese Barberry.

The work was completed within the amount of appropriation. We hope all citizens interested will inspect it next June after the grass gets started. We believe few citizens of the Town realize what a beautiful lot of land the Town owns around the High School Building. This woodland has never been properly protected and two years ago a fire severely injured a portion of it. The Town ought to expend a considerable sum of money each year in beautifying this lot and especially in cutting and protecting the woodland. It would be an excellent place in which to teach the boys the first principles of forestry. This land borders the Neponset River and offers an opportunity to construct a swimming pool for boys and girls.

Walpole Common: One portion of this is below the grade of the street and should be fixed as soon as the Town can afford to

appropriate the money. Probably \$500 would be sufficient to put it in good condition.

School Grounds: All of our school grounds are unsightly and most of them discreditable. We believe such a condition has a bad influence upon all the children attending school. Especially is this true of the Village School Grounds in order to fix which a special appropriation ought to be made.

Again we call your attention to the importance of the Town's acquiring more land for future park purposes. It is desirable to acquire the Briggs land in front of the Village School; the Clapp land between the Village School and the Fire Engine House and all the land between the Village School and the Orthodox Church. It is certainly cheaper to do it now than later and probably before many years it will be impossible to do it at all. The Town certainly owes this duty to coming generations and unless we act promptly we may have much to regret.

CHARLES S. BIRD,
MICHAEL F. McCARTHY,
GEORGE H. KINGSBURY,
Park Commissioners.

REPORT OF TOWN PLANNING COMMITTEE.

WALPOLE, MASS., December 30, 1911.

To the honorable Board of Selectmen, Walpole, Mass.:

Gentlemen—We herewith send you a copy of the report made by the General Town Planning Committee of the Walpole Improvement Federation regarding the visit of Mr. John Nolen, Expert on Town Planning.

Yours truly,

W. J. W. WHEELER,
Chairman Walpole Improvement Federation.

SUGGESTIONS OF MR. JOHN NOLEN AT PRELIMINARY VISIT.

GENERAL SUGGESTIONS.

There should be a comprehensive plan for the future growth of our Town, planned in advance of the settlement of the population, and re-planned or remodeled to meet new conditions. Three methods

to bring this about: first, exercise of forethought; second, the use of skill; and third, the adoption of an appropriate goal or idea.

GENERAL OBSERVATIONS.

In general, there are too many poles in our squares and centers, and steps should be taken to have the wires put under ground; more shrubbery in our triangles and open plots; the widening of our principal thoroughfares to standard widths; the town should not permit the laying out of short blind streets, such as Riverside Place and June St., East Walpole, as this is not the proper way to develop the town.

SPECIFIC OBSERVATIONS.

East Walpole Square should have a wider sidewalk (15 feet) at the Post Office Block; two more trees planted on the edge of the new sidewalk line; a screen of trees and shrubs planted between the railroad and the corner of Bird Hall Block; the street in the Square should be well graded and smoothly paved, and the lines for foot passengers and vehicles more marked; the connecting railway tracks should be properly graded with the rest of the street; the water from the watering trough should not be allowed to drip and run over the Square; the approach to the Railroad Station from the South side should have a sidewalk, and could be improved with some shrubbery and grass plots.

East Street should be widened to the standard width of fifty-two feet; ten to be for sidewalks; ten for railway tracks; and thirty-two feet for vehicles, allowing eight feet for four lines of vehicles. If only one track for street railway, it should be in the center of the street. (If in planning for the future, it might appear necessary to have double tracks, streets should be an additional ten feet in width, viz: sixty-two feet.)

Allen's Corner, triangle plot, could be treated at little expense with grass plot and shrubs.

Land should be taken for a Public Park under the Park Act, which, if the town has adopted, can be taken by the right of eminent domain.

The playgrounds of the town are well situated, but should be developed.

Streets intersecting the Common should be graded truer, and made at least four feet narrower, in order to protect the life of the trees. Elm Street Extension, especially, should be made four feet narrower; viz: to a twenty-four foot width, and the grass plots carried beyond the trees into the present street line, protecting the roots of the trees. About a great number of trees on our Common, the roots are exposed, and should be protected by filling in and grading. A few more evergreen shrubs at corners of the Common would improve the appearance.

The seats on our Common should be tied down so they cannot be moved; also, the seats in the Center of South Walpole. This

plot (South Walpole) should also be treated with some care and skill, the street lines graded, and grass plots preserved from travel, and some shrubs.

A study should be made for the development of a Public Park in our Centre, and steps should be taken to obtain land at once.

Regarding the conservation of our water supply, it would be well to consult a Sanitary Engineer as to how much danger there was from the present farms and houses near the pumping land.

A comprehensive, preliminary town plan, after due study and consideration, would cost from three to four hundred dollars.

Respectfully submitted,

W. J. W. WHEELER,
Chairman.

G. W. TOWLE, JR.,
President.

REPORT OF ENGINEERS OF FIRE DEPARTMENT.

WALPOLE, MASS., January 1, 1912.

To the Honorable Board of Selectmen:

The Engineers of the Fire Department respectfully submit the following report for the year ending December 31, 1911:

The Engineers have purchased during the year 1000 feet fire hose, which was distributed between the three companies; 12 hand fire extinguishers of the latest improved pattern, which were also distributed between the three companies; a Hook and Ladder Truck which was placed in the Center House.

We now think that the Department is very well equipped with apparatus to handle the present needs of the Town.

Owing to the large number of Forest Fires during the spring and summer, we were obliged to expend more for services than on previous years and asked for an additional appropriation of \$1,400 at a special Town Meeting.

The Department has responded to 84 alarms during the year as shown by the following table, 57 forest fires, 23 building fires and 4 false alarms.

REPORT OF INSPECTOR OF ANIMALS

WALPOLE, MASS., Dec. 30, 1911.

To the Board of Selectmen:

Gentlemen:—I submit the following report. For the year 1911 there were 12 cows killed of Tuberculosis and 66 hogs quarantined of Hog Cholera; 10 died.

Animals inspected: Cattle, 576; Hogs, 649; Goats, 14; Sheep 25.

Respectfully submitted,

A. F. BOYDEN,
Inspector of Animals.

REPORT OF SUPERINTENDENT OF FIRE ALARM.

WALPOLE, MASS., December 31, 1911.

To the Honorable Board of Selectmen:

I take pleasure in presenting to you and to the voters of the town a synopsis of the doings of the Fire Alarm Department during the past year.

The whistle machine at the Centre was found to be in rather poor shape and poorly located for efficient service. This machine was repaired at a small expense and was relocated during the early summer where the steam conditions were much better and connected up in accordance with the more modern methods.

Some slight improvements were made at South Walpole. At East Walpole the apparatus is in very good condition excepting that the whistle valve has become somewhat defective and will be replaced early in 1912. It is possible that the old valve may be repaired and then used as an emergency piece of apparatus.

EXTENSION.

In accordance with the vote of the Annual Meeting held in April at which Two Thousand Dollars were appropriated to extend the system, plans and specifications were drawn and after having advertised as required by the By-laws of the Town, the contract was awarded to the Gamewell Fire Alarm Co. to construct some 10 miles of telegraph line and for the furnishing and erecting of some twenty-two (22) street fire alarm boxes, and some other apparatus.

As the Town had voted to construct a new fire station in East

Walpole, it was thought best to put some modern fire alarm appliances in that station and a substantial part of the appropriation was devoted for this purpose.

Although all parts of the town were allotted a certain number of boxes (So. Walpole two, No. Walpole three, West Walpole, one, East Walpole four and the Centre twelve), still there are some few sections that should be so supplied as soon as possible. There are a few such locations where, in my opinion, it is impracticable to establish boxes under the present conditions, but I trust that these conditions may be overcome in the near future.

During the past year a new set of battery plates have been put in service and they should prove strong enough to last for the next five or six years. As the fire alarm system has now become quite extensive, I shall recommend that the same sum as was appropriated last year, viz: \$400, shall be appropriated this year for the care and maintenance of the system. I would also recommend the establishment of some eight or ten additional fire alarm boxes, etc., and hope a suitable appropriation will be made therefor.

I feel that the fire alarm system has suffered less than the usual amount of trouble during the year and although all such establishments are liable to be affected to a greater or less degree, still I hope that the past good conditions may continue for an indefinite period.

All of which is most respectfully submitted,

HANDEL L. JEPSON,
Superintendent of Fire Alarm.

RECORD OF TOWN MEETINGS

1911

TOWN MEETING WARRANT.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

To either Constable in the Town of Walpole:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of Precinct 1 of the said Town of Walpole, qualified to vote in elections, to meet in the Town Hall, and the inhabitants of Precinct 2, of said Town of Walpole, qualified to vote in elections, to meet in Bird Hall in said Town, on Monday, the sixth day of March, in the year one thousand nine hundred and eleven, at six o'clock in the forenoon, to bring in their votes for the following officers, to wit:

Three Selectmen, who shall also be Overseers of the Poor; one Town Clerk; One Town Treasurer; One Collector of Taxes; One Tree Warden; One Highway Surveyor; Three Constables; Three Auditors; Three Fence Viewers, all for one year; One Assessor of Taxes; One Park Commissioner; One member of the Board of Health; Two members of the School Committee; two members of the Public Library Trustees, all for three years; one Water Commissioner for three years and One Water Commissioner for two years to fill vacancy. Also on the same ballot to vote on the question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

And you are also directed to notify the inhabitants of said Town of Walpole, qualified to vote in elections and town affairs, to meet in the Town Hall, in said Walpole, on the same date as above at 7.45 P. M., then and there to act on the following articles:—

Article 1. To choose a Moderator to preside in said meeting.

Art. 2. To elect all other Town Officers.

Art. 3. To hear the annual report of the Selectmen and other Town Officers and act thereon.

Art. 4. To authorize the Town Treasurer, with the approval of the Selectmen, or a majority thereof, to borrow during the municipal year beginning January first, 1911, in anticipation of the collection of taxes of said year, such sums of money as may be necessary for the current expenses of the Town, but not exceeding the total tax levy for said year, giving the notes of the Town therefor, payable within one year from the dates thereof. All debts incurred under authority of this vote shall be paid from the taxes of the present municipal year.

Art. 5. To raise and appropriate or transfer such sums of money as may be necessary to defray the expenses of the Town for the ensuing year.

Art. 6. To see if the Town will vote to transfer the available balance of \$7,308.18, which remains in the "Excess and Deficiency" account, or do or act anything in regard to the same.

Art. 7. To hear and act on the report of any Committee the Town may think proper and to transact any other business that may legally and properly come before the Town.

Art. 8. To see what compensation the Town will allow the Engineers, members of the Fire Department and Superintendent of the Fire Alarm for their services for the ensuing year.

Art. 9. To see if the Town will appropriate the sum of One Hundred Dollars (\$100.00) for E. B. Piper Post G. A. R. to be used for Memorial Day exercises.

Art. 10. To see if the Town will give free of charge the use of the Town Hall to G. A. R. Post No. 157 and Woman's Relief Corps No. 54, Department of Massachusetts, for entertainments for the ensuing year.

Art. 11. To see if the Town will vote to use the unexpended balance on Auditors' Public Accounting for the expense of employing a Public Accountant for the ensuing year. (Petition of Board of Auditors).

Art. 12. To see if the Town will authorize the School Committee to employ a School Physician or Physicians and raise and appropriate the sum of \$200.00 therefor. (Petition of School Committee).

Art. 13. To see if the Town will vote to accept the provisions of Section 1 and Sections 4 to 12 inclusive of Chapter 104 of the Revised Laws of the Commonwealth of Massachusetts, relative to the inspection of materials, construction, alteration and use of buildings and other structures within its limits. (Petition of W. E. Everett and others).

Art. 14. To see if the Town will vote to appoint a committee to prepare by-laws relating to the matters covered by the sections referred to in the previous article or to do anything in regard to the same. (Petition of W. E. Everett and others).

Art. 15. To see if the Town will determine the time in which the taxes shall be paid and the interest rate for taxes uncollected on that date.

Art. 16. To see if the Town will authorize the Collector in collecting taxes to use all means which the Treasurer may use when appointed Collector.

Art. 17. To see if the Town will vote to instruct the Collector, in collecting water rates and construction bills, to follow the rules and regulations of the Water Department.

Art. 18. To see if the Town will vote to build a granolithic sidewalk on the westerly side of Main Street, from East Street to building of Reliance Lodge, I. O. O. F., raise and appropriate money therefor or do anything in relation thereto.

Art. 19. To see if the Town will raise and appropriate a sum of money for repairs of bridges, or do or act anything in regard to the same. (Petition of P. A. Ginley, Highway Surveyor).

Art. 20. To see if the Town will vote to complete the sidewalk on Main Street from the end of the present walk (which starts at Gill Street) as far as Stetson's Bridge and raise and appropriate money therefor. (Petition of S. H. Bartlett and others).

Art. 21. To see if the Town will authorize the Selectmen to enter into an agreement with the N. Y., N. H. & H. Railroad relative to the apportionment of the cost of the alteration of the bridge of the New England division over Elm Street, near East Street, Walpole, and raise and appropriate money therefor.

Art. 22. To see if the Town will vote to extend its six inch water pipe along Mylod Street, beginning at Walpole Street and running 1,000 feet and raise and appropriate money therefor. (Petition of H. Hudson).

Art. 23. To see if the Town will vote to extend its water main on Main Street from the end of the present main near Norfolk Street to a point near the residence of Edwin J. Fairbank, Jr., and raise and appropriate money therefor. (Petition of Alexander M. Brown and others).

Art. 24. To see if the Town will vote to raise and appropriate

the sum of \$100.00 to build a sidewalk on Neponset Avenue, from Lewis Avenue to Main Street. (Petition of George P. Spear and others).

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$100.00 to build a sidewalk on the westerly side of Lewis Avenue from Common Street to the residence of Alexander Fraser. (Petition of George P. Spear and others).

Art. 26. To see what action the Town will take to finish grading, etc., of the land in front of the High School Building and appropriate money therefor. (Petition of Charles S. Bird).

Art. 27. To see what action the Town will take to grade and finish the balance of the Common in Walpole centre and appropriate money therefor. (Petition of Charles S. Bird).

Art. 28. To see if the Town will vote to raise and appropriate the sum of \$250.00 for the work of the Walpole Visiting Nurse, or do anything in regard to the same. (Petition of the Walpole Visiting Nurse Association).

Art. 29. To see if the Town will vote to raise and appropriate \$300.00 for a Kindergarten School at East Walpole or do anything in regard to the same. (Petition of Wednesday Club).

Art. 30. To see what action the Town will take in regard to disposing of the Hand Engine at South Walpole or do or act anything in regard to the same. (Petition of N. E. Winslow).

Art. 31. To see if the Town will vote to install a complete Fire Alarm System and raise and appropriate money therefor. (Petition of N. E. Winslow).

Art. 32. To see if the Town will vote to purchase a new Hook and Ladder Truck and raise and appropriate money therefor. (Petition of N. E. Winslow).

Art. 33. To see if the Town will vote to improve or enlarge the Town Hall, raise and appropriate money therefor, or do or act anything in relation thereto.

Art. 34. To see if the Town will vote to take or purchase one or more lots of land for the purpose of erecting thereon a building or buildings to be used for a public school or schools or for the enlargement of a lot or lots of land already taken or used for such purposes and to instruct the selectmen to make such taking or purchases and to raise and appropriate or borrow money for such purposes or take any action relative to the same. (Petition of P. H. Mahoney).

Art. 35. To see if the Town will vote to install electric lights on Bullard Street from Main Street to the Estate of Joseph P. Hamlin. (Petition of Patrick H. Tobin and others).

Art. 36. To see if the Town will vote to transfer to the Water Department the overdraft of \$226.53 which remains on the Summer Street Extension of Water Department account, or do anything in regard to the same.

Art. 37. To see if the Town will vote to widen and straighten Pine Street around two dangerous curves like the letter S and to extend the culvert fourteen (14) feet over the brook from Dorr's meadow; also to widen the road and fill in around the curve on the east side of road twelve (12) feet wide on land of Messrs. Forbes and White, 230 feet; also to widen the curve on the west side of the road ten (10) feet in the widest place on land of A. F. Boyden, 200 feet, and to straighten a curve on north side of road on land of the Dorr estate 300 feet, or more—a total of 730 feet, and raise and appropriate the sum of \$600 therefor or do or act anything in regard to the same. Also to see if the Town will vote that the balance of money remaining after repairing the curves be expended on the improvement of Pine Street. (Petition of Charles B. Richards and others).

Art. 38. To see if the Town will finish the sidewalk on Kendall Street from the driveway of Mrs. Ella M. Whitney to Main Street or any part thereof and appropriate money for the same. (Petition of Moses F. Whitney).

Art. 39. To see if the Town will vote to amend the Rules, Regulations or Rates of the Water Department or do or act anything in relation thereto. (Petition of Handel L. Jepson).

Art. 40. To see if the Town will vote to alter or amend Article 11 of By-Laws of the Town of Walpole or do or act anything in the matter. (Petition of Handel L. Jepson.)

Art. 41. To see if the Town will vote to buy land and build an Engine House at East Walpole and raise and appropriate money therefor, or do or act anything in relation thereto. (Petition of George R. Wyman).

Art. 42. To see if the Town will vote to buy a lot or lots of land in the vicinity of the East School, raise and appropriate money therefor or do or act anything in regard to the same. (Petition of George M. Graves for the Committee).

Art. 43. To see if the Town will vote to accept the provisions of Chapter 346 of the Acts of 1902, or do anything in relation thereto.

Art. 44. To see if the Town will vote to make a contract with the Edison Electric Illuminating Co., for a term of years for the purpose of lighting the streets of the town, or do or act anything in relation thereto.

Art. 45. To see if the Town will do anything in regard to improving the drainage of the Public Library Lot, and raise and appropriate money therefor. Petition of L. F. Fales.

The polls will be open at six o'clock, A. M., and may be closed as early as 2 o'clock P. M.

And you are directed to serve this warrant by posting attested copies thereof, one in each of the Post Offices, and in not less than ten public places in said town, seven days at least before the time set for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon to the Selectmen, at the time and place of meeting as aforesaid.

Given under our hands and the seal of the Town, the twenty-first day of February, in the year one thousand nine hundred and eleven.

JULIUS GUILD,
GEORGE R. WYMAN,
HENRY M. STOWELL.

Selectmen of Walpole.

WALPOLE, MASS., March 6, 1910.

NORFOLK, SS.

By virtue of the within warrant, I have notified the inhabitants of the Town of Walpole, qualified to vote at elections and town affairs, to meet at the time and place and for the purposes mentioned, by posting true and attested copies of the within warrant, one in each of the postoffices and in not less than ten other public places in said town, seven days at least before the time set for said meeting.

HOWARD PATTON,
Constable of Walpole.

ANNUAL TOWN MEETING.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Pursuant to the foregoing warrant, at a legal meeting of the inhabitants of Precinct 1 of the Town of Walpole, qualified to vote

in elections and town affairs, met in the Town Hall in said Walpole on Monday, the sixth day of March, A. D. 1911, at six o'clock in the forenoon. And the inhabitants of Precinct 2 in said Town of Walpole, qualified to vote in elections and town affairs, met in Bird Hall in said town at six o'clock in the forenoon to bring in their votes for the following officers, to wit:

Three Selectmen, who shall be Overseers of the Poor; One Town Clerk; One Town Treasurer; One Collector of Taxes; One Tree Warden; One Highway Surveyor; Three Constables; Three Auditors; Three Fence Viewers, all for one year. One Assessor of Taxes for three years. One Park Commissioner; One Member of the Board of Health; Two Members of the School Committee and Two Members of the Public Library Trustees, all for three years. One Water Commissioner for three years and one Water Commissioner for two years to fill vacancy.

Also, on the same ballot, to vote on the question, "Shall licenses be granted for the sale of intoxicating liquors in this Town?"

The meeting in Precinct 1 was called to order by George H. Gough, Warden, who acted as Presiding Officer. He was assisted by the following election officers: George H. Ryan, Deputy Warden; Francis F. Kivlin, Clerk; Dwight H. Smith, Deputy Clerk; Frank Swan, Inspector; John P. O'Brien, Inspector; Frank N. Spear, Deputy Inspector; James J. Hennessey, Deputy Inspector.

Eight shelves or compartments were provided by the Town Clerk in each Precinct and guarded by the Town as required by law. Cards of instruction and specimen ballots were posted outside the guard rail as required by law.

The set of ballots for precinct one, furnished by the Town Clerk, said to contain 850 official ballots and 50 special ballots for "School Committee only" was opened before the opening of the polls on said day, delivered to said Warden for Precinct 1, and his receipt taken therefor.

The ballot box, called the "Acme," furnished by the Secretary of the Commonwealth, before the balloting began was opened in public meeting and found to be empty and the register of said box was set at zero and duly locked, as required by law, after which the polls were declared open. Upon the delivery of the ballots to the voters by the election officers in charge, the check lists were used and the name of each voter receiving a ballot was announced and checked thereon.

The ballot, as delivered to each voter, was by him marked in the voting compartment and deposited by the voter in the ballot box called the "Acme," furnished and certified by the Secretary of the Commonwealth, and the name of each voter depositing a ballot in said box was announced in a loud and distinct tone of voice and checked upon the voting list by the election officers in charge of said box and voting list.

The meeting was called to order in Precinct 2 by Thomas M. Crowley, Warden, who acted as Presiding Officer of said meeting.

He was assisted by the following election officers: James E. Smith, Deputy Warden; Fred V. Bell, Clerk; Benjamin S. Whittier, Deputy Clerk; Thomas H. Smith, Inspector; Fred I. Plaisted, Inspector; William Sline, Deputy Inspector; Fred Y. French, Deputy Inspector;

The set of ballots for Precinct 2, furnished by the Town Clerk said to contain 300 official ballots and 10 special ballots for "School Committee only," was opened before the opening of the polls on said day, delivered to the Warden of Precinct 2 and his receipt taken therefor.

The ballot box, called the "Perfection," furnished by the Secretary of the Commonwealth, before the balloting began, was opened in public meeting, examined by the election officers and found to be empty and the register set at zero and duly locked as required by law, after which the polls were declared open. The meeting was conducted in like manner and form as in Precinct 1, and in accordance with the law.

Th blank forms used by the election officers were furnished by the Secretary of the Commonwealth. The ballots were divided into blocks of fifty and each block was canvassed as required by law and the result of said canvass was reported to the Wardens who caused the total result of said canvass in each Precinct to be recorded upon the blank forms provided for that purpose, after which it was found that the registers read as follows:

The register in Precinct 1 showed that 537 ballots were cast. The names checked upon the voting lists used in Precinct 1 were counted aloud and it was found that five hundred and twenty-seven names were checked thereon.

The register in Precinct 2 showed one hundred and eighty-eight ballots cast. The names checked on the voting lists used in Precinct 2 were checked and counted and it was found that one hundred and eighty-eight names were checked thereon.

The voting lists used in said election were furnished by the Board of Registrars. Upon the completion of canvass of all the votes cast and the whole number duly sorted, counted and recorded, declaration thereof was duly made in open Town meeting as required by law and was as follows:

Selectmen and Overseers of the Poor:

	Precinct 1	Precinct 2	Totals
Daniel A. Donnelly,	277	91	368
Edmund Grover,	142	65	207

HARRY L. HOWARD, Town Clerk.

ANNUAL TOWN MEETING.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Pursuant to the foregoing warrant, the annual meeting of the inhabitants of the Town of Walpole was held at the Town Hall in said Walpole on Monday, March 6, 1911. The meeting was called to order at the time and place named in said warrant by Harry L. Howard, Town Clerk, who presided at the choice of Moderator.

Article 1. Voted, Handel L. Jepson was chosen Moderator by ballot, in receiving which the check list was used.

Art. 2. Voted, that the other Town Officers not elected by ballot be elected by nomination and the following were elected:

Field Drivers (for one year):

Daniel A. Donnelly, sworn by Moderator March 6, 1911.
 Maynard Terpstra, sworn by Town Clerk, April 12, 1911.
 Harry Turner,
 Joseph Hazlett,
 Frank Ryan,
 Fred Bell.

Surveyors of Lumber (for one year):

Percy E. Tisdale,
 Amos L. Hamilton,
 Alton N. Clark,
 Henry A. Morse,
 George H. Kingsbury, sworn by Town Clerk, March 7, 1911.

Measurers of Wood and Bark:

George H. Kingsbury, sworn by Town Clerk, March 7, 1911.
 Nathan W. Fisher,
 Frank L. Gould, sworn by Town Clerk.
 Horace W. Mann,
 Amos L. Hamilton, sworn by H. A. Whiting, Justice of Peace,
 April 12, 1911.

Art. 3. Voted, that the Town Report be accepted excepting errors that may appear therein.

Art. 4. Voted, that the Treasurer be and hereby is authorized, with the approval of a majority of the Selectmen, to borrow from time to time during the current municipal year, beginning January 1, 1911, in anticipation of the taxes of said municipal year, a sum or sums not exceeding at any one time outstanding \$70,000.00, for the purpose of meeting the current expenses of the Town, and to give the notes of the Town therefor, payable within one year from their dates.

All debts incurred under authority of this vote shall be paid from taxes of said current municipal year. Said notes shall not be valid unless authenticated by the certificate of the Bureau of Statistics.

Vote.—Affirmative, 77; Negative 0.

Art. 5. Voted, to lay this article on the table.

Art. 6. Voted, to refer same to Committee of 15.

Art. 7. Voted, that a Committee be appointed and retire to bring in a set of resolutions on account of the death of William Moore, also Myron H. Piper. The Moderator appointed: Frederic W. Kingman, Thomas F. Maguire, Frank O. Pilsbury.

The Engine House Committee reported in writing and it was accepted as progressive.

The Committee on Plans and Estimates on Town Hall reported and submitted two sets of Plans for inspection.

Voted, that all articles calling for more than \$250.00 shall be

referred to the Committee of Fifteen for their consideration before appropriations be made.

Voted, that the plans, specifications and bids covering the proposed additions to the present Town Hall be referred to the Committee of Fifteen for their consideration, the result of their deliberation to be reported back to the adjourned Town Meeting.

The Committee of Electric Lighting Contract for 10 years reported in writing recommending that the Selectmen in behalf of the Town be authorized to sign this contract.

Voted, that a Committee of Fifteen be appointed by the Moderator to consider any and all articles calling for appropriations of money in excess of \$250.00. Committee appointed as follows:

Joseph S. Leach, Chairman,
 John F. Wall,
 William J. Mahoney,
 John B. Rooney,
 Thomas H. Gray, Jr.
 Robert H. Hartshorn,
 Henry A. Morse,
 John Bock,
 Harry A. Whiting,
 Henry P. Kendall,
 Nathan W. Fisher,
 Thomas P. Maguire,
 George M. Graves,
 Dennis W. Higgins,
 Fred W. Foster.

Art. 8. Voted, that the compensation of the members of the Fire Department be as follows: Chief Engineer, \$50. per year. Asst. Engineers, \$25. per year, (each). Officers and members of Fire Companies \$12.00 per year and in addition the sum of fifty cents per hour for each hour of actual service and the salary of the Superintendent of Fire Alarm be \$150. for the year ensuing.

Art. 9. Voted, that the sum of \$100 be raised and appropriated by taxation for Memorial Day exercises under the direction of the E. B. Piper Post 157 G. A. R.

Art. 10. Voted, that the Town give free of charge the use of the Town Hall to G. A. R. Post No. 157 and Woman's Relief Corps No. 54, Dept. of Mass., for entertainments for the ensuing year.

Art. 11. Voted, that the sum of \$25 and the unexpended balance on the Auditors' Public Accounting be raised and appropriated for the expense of employing a Public Accountant for the ensuing year.

Art. 12. Voted, that the sum of \$250 be raised and appropriated to employ a School Physician or Physicians.

Art. 13. Voted to accept the Provisions of Section 1 and Section 4 to 12 inclusive of Chapter 104 of the Revised Laws of the Commonwealth relative to inspection of materials, construction, alterations and use of buildings and other structures.

Art. 14. Voted, that the Moderator appoint a Committee to prepare By-Laws relative to the matters covered by the previous vote. Committee appointed: George W. Towle, Jr., Harry L. Howard, John S. Allen, Willard E. Everett, Fred J. Gleason.

Art. 15. Voted, that the taxes for year 1911 shall become due on November 7th of that year and interest at the rate of six (6) per cent. per annum shall be charged and collected on all taxes remaining unpaid after that date.

That all poll and personal taxes must be paid by January 1st, 1912, and that all taxes on real estate remaining unpaid on May 1, 1912, shall be collected forthwith as the law directs.

That all additional poll taxes and taxes on omitted personal estate shall become due and payable within 30 days after the date of the tax bill and interest at the rate of 6 per cent. per annum shall be charged and collected on all of the aforesaid taxes remaining unpaid after that time.

Art. 16. Voted, that the Town authorize the Collector in collecting taxes, to use all means which the Treasurer may use when appointed Collector.

Art. 17. Voted, that the Town instruct the Collector in collecting water rates and construction bills to follow the rules and regulations of the Water Department.

Voted, to refer the following articles to the Committee of Fifteen: 18, 19, 20, 22, 23, 25, 26, 27, 29, 31, 32, 33, 34, 37, 38, 42, 45.

Art. 21. Voted, that the Town authorize the Selectmen to enter into an agreement with the N. Y., N. H. & H. R. R. Co., relative to the apportionment of the cost of the alteration of the bridge of the New England Division over Elm Street near East Street, Walpole, and that the sum of \$3,000 be raised and appropriated therefor.

Art. 24. Voted, that the sum of \$100 be raised and appropriated to build a sidewalk on Neponset Ave., from Lewis Avenue to Main Street.

Art. 28. Voted, that \$250 be raised and appropriated for the work of the Walpole Visiting Nurse.

Art. 30. Voted, that a Committee of Three be appointed to investigate conditions regarding ownership and disposal of the Hand Engine at South Walpole and report at the adjourned town meeting. Committee appointed, Harry A. Whiting, Junius Mowry, Amos L. Hamilton.

Voted to do nothing through the Engineers of the Fire Department relating thereto.

Art. 35. Voted, that article be laid on the table.

Voted, that this article and vote be not re-considered.

Art. 36. Voted, that the Town transfer to the Water Department the overdraft of \$226.53 which remains on the Summer Street Extension of the Water Department account.

Art. 39. Voted, that a Committee of Three be appointed by the Town Clerk to investigate the regulations and rates of the Water Department and report at the adjourned town meeting, April 10, 1911. Committee appointed: Handel L. Jepson, John S. Allen, Patrick H. Mahoney.

Art. 40. Voted, that the Town Clerk appoint a Committee of Three to consider the amendment to Art. 2 of the Town By-Laws. Committee appointed: Willard E. Everett, Philip R. Allen, Henry P. Plimpton.

Art. 41. Voted, that the Committee be given further time and authority to get out plans for an engine house at East Walpole and report in full at the adjourned Town Meeting.

Art. 43. Voted, that the town accept the provisions of Chapter 346 of the Acts of 1902.

Art. 44. Voted, that the report of the Committee on 10 year electric lighting contract be printed and distributed to the voters.

Voted, to adjourn this meeting to April 10, 1911, at 7.15 o'clock,
P. M.

HARRY L. HOWARD,
Town Clerk.

ADJOURNED TOWN MEETING.

April 10, 1911.

Article 1. Meeting called at 7.15 P. M., by Moderator, H. L. Jepson.

Art. 5. Voted, the sum of \$300 be raised and appropriated for the expenses of the Board of Health for the ensuing year.

Voted, that the sum of \$500 be raised and appropriated for the suppression of the illegal sale of liquor, the same to be expended under the direction of the Selectmen and that the Selectmen be instructed to hire outside officers for this purpose.

Amendment to above vote: That the sum of \$400 be expended for outside officers and that \$100 be for present expense.

Voted, that the sum of \$2,000 be raised and appropriated for the expenses of the Fire Department for the ensuing year.

Voted, that the sum of \$300 be raised and appropriated for the expenses of the Forest Fire Warden for the ensuing year.

Voted, that the sum of \$400 be raised and appropriated for the Fire Alarm Maintenance for the ensuing year.

Voted, that the sum of \$6,300 be raised and appropriated for the care of Highways and Bridges for the ensuing year, \$800 of which shall be used for oiling the streets. Voted, that the Street Railway Excise Taxes be appropriated for the care of Highways and Bridges for the ensuing year.

Voted, that the sum of \$300 be raised and appropriated for the Removal of Snow for the ensuing year.

Voted, that the sum of \$750 be raised and appropriated for the Insurance account for the ensuing year.

Voted, that the sum of \$2,950 be raised and appropriated for the Interest account for the ensuing year.

Voted, that the sum of \$1,400 be raised and appropriated for the Miscellaneous account for the ensuing year.

Voted, that the sum of \$10,500 be appropriated for Notes Due in 1911, of which amount \$6,500 be raised by taxation and \$4,000 be paid from the receipts of the Water Department.

Voted, that the sum of \$3,500 be raised and appropriated for the Outside Poor account for the ensuing year.

Voted, that the sum of \$500 be raised and appropriated for the expenses of the Park Commission for the ensuing year.

Voted, that the sum of \$850 and the unexpended balance of \$396.79 as shown by books on Dec. 31, 1910 be appropriated for the Printing and Stationery account for the ensuing year. Voted, that the sum of \$850 be raised by taxation for the Printing and Stationery account for the ensuing year.

Voted, that the sum of \$1,900 be raised and appropriated for the Police and Court Expenses for the ensuing year.

Voted, that the sum of \$2,800 be raised and appropriated for the entire expenses of the Public Library for the ensuing year.

Amendment to above vote: That eighty dollars (\$80) additional to the sum already asked for by the Library Trustees be raised and appropriated for the purchasing of "The Catholic Encyclopaedia."

Voted, that the sum of \$23,203.02 be raised and appropriated for the support of the Schools for the ensuing year. That the Dog Tax, amounting to \$653.80, be transferred to the support of the schools for the ensuing year.

Voted, that the sum of \$200 be raised and appropriated for the Soldiers' Relief account for the ensuing year.

Voted, that the sum of \$5,000 be raised and appropriated for Street Lighting for the ensuing year.

Voted, that the sum of \$1,000 be raised and appropriated for the Suppression of Moths for the ensuing year.

Voted, that the sum of \$700 be raised and appropriated for the salary of the Town Bookkeeper for the ensuing year.

Voted, that the sum of \$400 and the receipts from rent of the Town Hall be appropriated for the expenses of the Town Hall for the ensuing year and that the sum of \$400 be raised by taxation.

Voted, that the sum of \$2,925 be raised and appropriated for the salaries of Town Officers for the ensuing year, to be apportioned as follows:

Selectmen	\$500 00
Treasurer	300 00
Collector	600 00

Town Clerk	\$150 00
Water Commissioners	350 00
Registrars	75 00
Board of Health	125 00
Cattle Inspector	125 00
Assessors	700 00

Voted, that the sum of \$250 be raised and appropriated for use of the Tree Warden for the ensuing year.

Voted, that the receipts of the Water Department be used for the expenses of the Water Department, including water notes and interest on water bonds.

Art. 6. Voted, that the available balance of \$7,308.18, which remains in the Excess and Deficiency account be transferred to the support of Schools for the ensuing year.

Art. 7. Voted, unanimously to accept and adopt the following resolutions on death of William Moore and Myron H. Piper:

RESOLUTIONS ON DEATH OF WILLIAM MOORE.

Whereas, by the recent death of our esteemed fellow-citizen, William Moore, we, the inhabitants of the Town of Walpole, are called upon to mourn his absence from this, our annual town meeting and from his accustomed activities in the community, therefore,

Be it resolved,

That we deplore the loss of one who, as a parliamentarian, had few equals and fewer superiors. In the discharge of his duties as Moderator, Mr. Moore ever sought to be fair, fearless and independent.

Resolved, that we prize his record as a Trustee of our Public Library, also as a member of the Library Building Committee and later as a member of the Committee of Fifteen.

Resolved, that as a patron of the Public Library and as a self-educated, broad-minded, useful citizen his memory is worthy of the most sincere regard and commendation.

Resolved, that we tender our heartfelt sympathy to the bereaved family in the loss which they have sustained.

Respectfully submitted,

THOMAS F. MAGUIRE,
FRANK O. PILSBURY,
FREDERIC W. KINGMAN,
Committee on Resolutions.

RESOLUTIONS ON DEATH OF MYRON H. PIPER.

Whereas, the Town of Walpole, by the death on March 26, 1910, of Myron H. Piper, Water Commissioner and Trustee of the Public Library has lost one of its most useful public servants,

Be it resolved,

That we, the citizens of said Town in meeting here assembled, do bear testimony to his sterling worth as a member of the School Committee and more recently as a member of the Water Commissioners and a Trustee of the Public Library. Modest in his demeanor, he was ready to do his full duty in whatever services called upon to render his native town. For the faithful discharge of his duties as a member of the Building Committee of the Public Library, we are especially grateful.

Resolved, that we commend to the youth of our town the life of said Myron H. Piper as a worthy example of upright conduct in all relations, public and private.

Resolved, that we extend to the family of our late fellow-citizen our sincerest sympathy in their loss which is also ours.

Respectfully submitted,

THOMAS F. MAGUIRE,
FRANK O. PILSBURY,
FREDERIC W. KINGMAN.

Committee on Resolutions.

Art. 7. Voted, that a Committee of five be appointed by the Moderator to investigate motor or horse drawn apparatus for fire department and report at a future town meeting.

Art. 18. Voted, that the sidewalk on the northerly side of Main Street be repaired by re-filling the broken part and new surfacing the whole walk with a coating of tar and gravel, from a point near the residence of Angeline Metcalf to the end of the present tar walk, and that the sum of \$225 be raised and appropriated therefor.

Art. 19. Voted that the sum of \$125 be raised and appropriated for the repairing of bridges for the ensuing year.

That the Selectmen make a complete report at the first Special Town Meeting of plans and estimates for a new reinforced concrete bridge at Stetson's Bridge, so-called, and that they secure a plan and estimate for bridge back of Postoffice on East Street from the Engineer who constructed the concrete bridge on Elm Street.

Art. 20. Voted, that the sum of \$100 be raised and appropriated to complete the sidewalk on Main Street near Stetson's Bridge, the same to be expended under the direction of the Highway Surveyor.

Art. 22. Voted, that this article be indefinitely postponed.

Art. 23. Voted, that the water main on Main Street be not extended this year.

Art. 25. Voted, that the sum of \$50 be raised and appropriated to build a sidewalk on the westerly side of Lewis Avenue from Common Street to the residence of Alexander Fraser.

Art. 26. Voted, that the sum of \$3,000 be raised and appropriated to finish the grading, etc., of the land in front of the High School Building, the same to be expended under the direction of the Park Commissioners.

Art. 27. Voted, that this article be laid on the table until the next annual town meeting.

Art. 29. Voted, that the sum of \$300 be raised and appropriated for a Kindergarten School at East Walpole.

Art. 30. Committee appointed at the Town Meeting held March 6, 1911, to ascertain what rights, if any, the town had in the Tiger No. 1, So. Walpole Hand Fire Engine reported that the town has no right, title nor interest in the engine.

Voted, that the article be dismissed.

Art. 31. Voted, that the sum of \$2,000 be raised and appropriated toward completing the Fire Alarm system, the same to be expended under the direction of the Superintendent of Fire Alarm.

Art. 32. Voted, that this article be laid on the table until the next special town meeting and that the Selectmen be requested to insert an article in the warrant for said meeting in relation to the matter.

Art. 33. Voted, that the sum of \$50 be raised and appropriated to pay Mr. A. F. Haynes for services performed and that Mr. J. Lawrence Berry be retained for further work and that a Committee of Five be appointed by the Moderator to submit plans and estimates at the next annual town meeting. Committee appointed by the Moderator: F. J. Gleason, G. M. Graves, H. P. Kendall, J. B. Rooney, H. M. Stowell. Mr. H. M. Stowell to call the Committee to order for purpose of organization.

Art. 34. Voted, that the matter be left in the hands of the Selectmen and School Committee for proper action in acquiring land for school purposes.

Art. 37. Voted, that this article be indefinitely postponed.

Art. 38. Voted, that the sum of \$50 be raised and appropriated, same to be expended on the Kendall Street Sidewalk under the direction of the Highway Surveyor.

Art. 40. Voted, that this article be indefinitely postponed.

Art. 41. Voted, that the Town purchase land in East Walpole on Washington Street, near Maguire's Block, and erect a brick fire engine house thereon, according to plans submitted by J. Lawrence Berry, and that the Treasurer be authorized, with the approval of a majority of the Selectmen, to issue notes of the Town for \$7,500, made payable as follows: \$500 in 1912, \$1,000 each consecutive year thereafter for seven years. Voted, that the proceeds of said notes be appropriated for the aforesaid purpose, the same to be expended under the direction of the Committee appointed at the town meeting held March 21st, 1910, for the purpose of securing land and building a fire station at East Walpole.

Art. 42. Voted, that the Selectmen be authorized to acquire the lots of land, comprising about eight and one-half acres, from the Pettee heirs and Thomas F. Maguire, and that the Treasurer be authorized, with the approval of a majority of the Selectmen, to issue notes of the Town for \$4,900, payable as follows: \$900 in 1912, \$1,000 each consecutive year, thereafter, for four years, and that the proceeds of said notes be appropriated for the aforesaid purpose.

Art. 44. Voted, that the Town sign the ten year Electric Lighting Contract of March 13th, 1911, with the Edison Electric Illuminating Company of Boston with an all night schedule of lighting on each night in the year.

Art. 45. Voted, that \$1,050 be raised and appropriated toward improving the drainage of the Public Library Lot in accordance with the second proposition made by Frederick E. Tupper, Engineer, by connecting with the present drain now laid on School Street, the same to be expended under the direction of the Selectmen.

Voted, that this meeting be dissolved.

Attest:

HARRY L. HOWARD,
Town Clerk.

TOWN MEETING WARRANT.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

To either Constable in the Town of Walpole:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of said Town of Walpole,

qualified to vote in elections and town affairs, to meet at the Town Hall, in said Walpole, on Tuesday, the sixth day of June, 1911, at 7.30 o'clock p. m., then and there to act on the following articles:

Article 1. To choose a Moderator to preside in said meeting.

Art. 2. To see if the Town will vote to extend its electric lights on Main Street to the Norwood town line, and raise and appropriate money therefor, or do or act anything in regard to the matter.

Art. 3. To see if the Town will vote to rebuild the sidewalk on the easterly side of Washington Street, from Union Street to a point near the residence of George C. Park, and raise and appropriate money therefor.

Art. 4. To see if the Town will vote to transfer the balance of \$880.92 remaining on the "Water Dept.—Elm St. Extension" account to the "Water Department" account, or do or act anything in regard to the same.

Art. 5. To see if the Town will vote to raise and appropriate an additional sum of money for expenses of the Forest Fire Warden.

Art. 6. To see if the Town will vote to gravel Rhoades Avenue and raise and appropriate \$400 therefor.

Art. 7. To see if the Town will vote to grade South Street between Common Street and Neponset River to a uniform grade and raise and appropriate money therefor.) Petition of Edmund Grover).

Art. 8. To see if the Town will vote to lay a six inch water main through Pine Street about 4,200 feet, beginning at the junction of Washington Street, the same to be laid subject to a six per cent. guarantee, and raise and appropriate money therefor.

Art. 9. To see if the Town will vote to lay water pipe through Mylod Street, about 1,000 feet, beginning at the junction of Main Street, the same to be laid subject to a six per cent. guarantee, and raise and appropriate money therefor.

Art. 10. To see if the Town will vote to extend its water main through Fisher Street from Main Street to North Street and through North Street from Fisher Street to Brook Street, the same to be laid subject to a six per cent. guarantee, and raise and appropriate money therefor.

Art. 11. To see if the Town will vote to rebuild the bridge on East Street back of the Postoffice and raise and appropriate money therefor.

to man, and that too without the aid of fire-arms or deadly weapons of any kind.

Only recently C. J. (Buffalo) Jones, the king of cow-boys has returned from Africa where he lassoed and tied down every vicious animal on that dark continent, including the mighty rhinoceros, the giraffe, and the king of beasts, the African lion.

He has the proof in motion-pictures and in the testimony of scores of witnesses. He also has records in pictures of his conquest of the fiercest American animals; such as the grizzly bear, panther, mountain lion, buffalo and other wild beasts. These pictures are so astounding they almost take the breath from the spectators.

Col. Roosevelt has twice heard Mr. Jones deliver his thrilling lecture and has said and written many complimentary things about it. Among other glowing comments is the following: "Buffalo Jones' work with wild animals is beyond anything ever recorded in the annals of time. I am so glad it was an American that conquered the animal kingdom. I would rather have seen Jones and his cow-boys rope the wild animals of Africa than to have had all the sport in hunting which I have enjoyed in my whole life."

Burton Holmes, after hearing the lecture and seeing the pictures, announced in the Tremont Temple at Boston, "If you ever have an opportunity of seeing Buffalo Jones and his wonderful pictures don't miss it. They are simply wonderful."

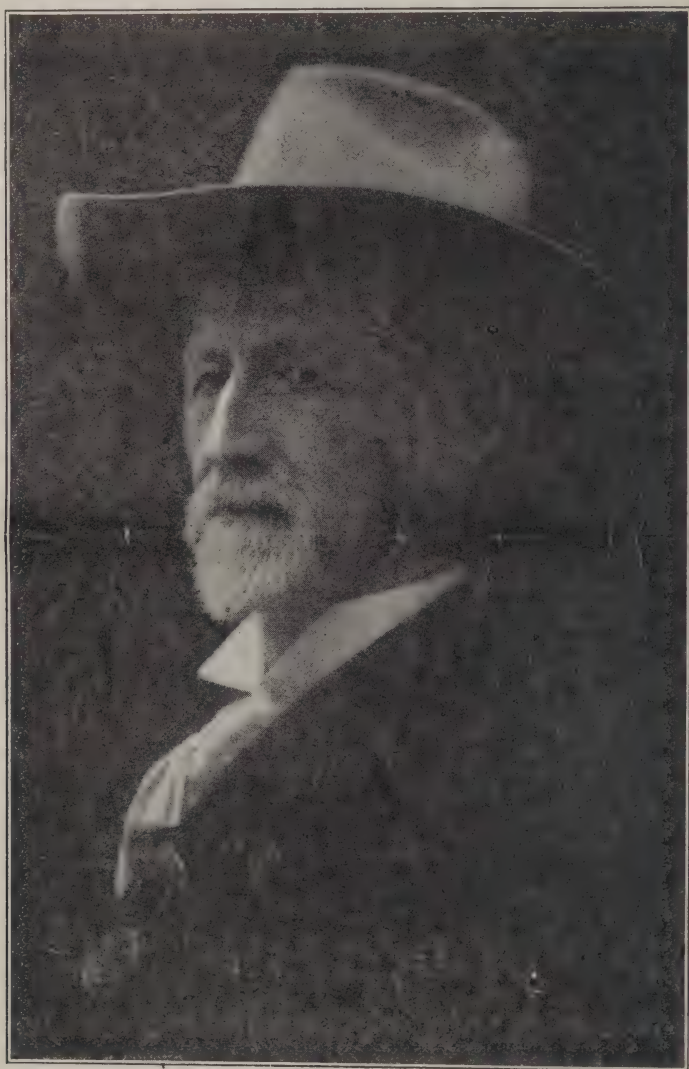

Thousands of others are just as emphatic in their enthusiastic praise of Col. Jones' success as Colonel Roosevelt or Mr. Holmes. Both are of the very highest authority. It was Buffalo Jones who saved the American bison to the American people, and shows wonderful pictures of them.

He never kills animals, but, after measuring cunning with them, sets them free. He says truly The Scriptures are being fulfilled and I have proved that, "man has dominion over all the beasts of the field and every living thing."

Don't miss a lifetime opportunity to see and hear of these most wonderful things. Remember, Buffalo Jones will be at Tremont Temple afternoons and evenings, February 13th to 16th inclusive, at popular prices, 25c., 50c., 75c. and \$1.00.

IS THE MILLENIUM HERE?

*When "Men shall mount up on wings as eagles,
when the lion and lamb shall lie down together
and a little child shall lead them."*

COL. CHAS. J. (BUFFALO) JONES

These prophecies would seem to have been fulfilled.
The lion as well as all other vicious beasts has surrendered

Art. 12. To see if the Town will vote to instruct the Selectmen to rebuild the Stetson Bridge, so-called, or to make any proposition to the Massachusetts State Highway Commission and to the Norfolk & Bristol Street Railway Company to co-operate with the Town in rebuilding the same, and raise and appropriate money therefor.

Art. 13. To see if the Town will vote to purchase a new Hook and Ladder Truck or to repair the old one, to raise and appropriate money therefor, or do or act anything in relation thereto.

Art. 14. To see if the Town will vote to purchase one thousand feet of two and one-half inch fire hose and twelve Hand Extinguishers and raise and appropriate money therefor.) Petition of William F. Riordan).

Art. 15. To see if the Town will vote to reconsider, alter, amend or repeal, either or both of the votes under Articles 41 and 42 of the Warrant for the meeting March 6, 1911, whereby the sums of \$7,500 and \$4,900 were to be respectively borrowed for a fire station and site at East Walpole (\$7,500), and for eight and one-half acres of land from the Pettee heirs and from Thomas F. Maguire (\$4,900).

Art. 16. To hear and act on the report of any Committee the Town may think proper and to transact any other business that may legally and properly come before the Town.

Art. 17. To see if the Town will vote to extend the electric lights on West Street from a point near the westerly side of Fay's Bridge, so-called, to the residence of Boek Brothers, a distance of about two and one-quarter miles, and raise and appropriate money therefore. (Petition of John Boek.)

Art. 18. To see if the Town will vote to annul or amend its action taken under Article 20 of the annual meeting of the year 1903, or do or act anything in relation to the matter.

Art. 19. To see what action the Town will take toward repairing the bridge over the New York, New Haven and Hartford Railroad on Main Street near Spring Street, and raise and appropriate money therefor.

Art. 20. To see what action the Town will take toward repairing its concrete sidewalks and raise and appropriate money therefor.

And you are directed to serve this warrant by posting attested copies thereof in each of the Post Offices, and in not less than ten public places in said Town, seven days at least before the time set for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting aforesaid.

Given under our hands and the seal of said Town, the twenty-fifth day of May in the year one thousand nine hundred and eleven.

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE W. POORE,
Selectmen of Walpole.

WALPOLE, MASS., June 6, 1911.

NORFOLK, SS.

By virtue of the within warrant, I have notified the inhabitants of the Town of Walpole, qualified to vote at elections and town affairs, to meet at the time and place and for the purposes mentioned, by posting true and attested copies of the within warrant, one in each of the postoffices and in not less than ten other public places in said Town, seven days at least before the time set for said meeting.

HOWARD PATTON,
Constable of Walpole.

SPECIAL TOWN MEETING.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Pursuant to the foregoing warrant, a meeting of the inhabitants of the Town of Walpole was held at the Town Hall, in said Walpole, on Tuesday, the sixth day of June, 1911, at 7.30 o'clock p. m.

The meeting was called to order at the time and place named in said warrant by Harry L. Howard, Town Clerk, who presided at the choice of Moderator.

Article 1. Upon motion duly made and seconded, it was voted that the Town Clerk be instructed and directed to deposit one ballot for Handel L. Jepson for Moderator. Acting under the above instructions, the Town Clerk did deposit one ballot for Handel L. Jepson and he was declared duly elected Moderator.

Art. 2. Voted, that the sum of \$150 be raised and appropriated from taxes of current year to extend the electric lights on Main Street to the Norwood Town Line.

Art. 3. Voted, that the Town re-surface that part of the walk fronting the Mary E. Bird property with asphalt about 250 feet and construct a granolithic walk from said point to the land of George Park about 780 feet and raise and appropriate \$1,000 therefor from this year's taxes and that the work be done under the direction of the Highway Surveyor.

Art. 4. Voted, to lay this article on the table until after Article 9 has been taken up.

Art. 5. Voted, that the sum of \$1,000 be raised and appropriated from this year's taxes for the use of the Forest Fire Warden. Voted that the Forest Fire Warden be instructed to place all bills against the New York, New Haven and Hartford Railroad Company for the expense of extinguishing fires set by their locomotives in the hands of the Collector and Selectmen for collection and that all sums so collected be placed in the Excess and Deficiency account for the year 1911.

Art. 6. Voted, that the sum of \$450 be raised and appropriated from current year's taxes for gravelling and repairing Rhoades Avenue, same to be done under the direction of the Highway Surveyor.

Art. 7. Voted, that \$150 be raised and appropriated for repairs on South Street from Common Street to a point near the buildings of the Massachusetts Chemical Company, to be raised by taxes of current year.

Art. 8. Voted, that the town lay a six inch water main through Pine Street, about 4,200 feet, beginning at the junction of Washington and Pine Streets, the same to be laid subject to a six (6) per cent. guarantee for a period of ten years, and that the Treasurer be authorized, under the direction of the Selectmen, to issue the note or notes of the Town, for a sum not exceeding four thousand (4,000) dollars, (the exact sum to be determined by the Water Commissioners) and for a term not exceeding ten (10) years, the proceeds of said note or notes to be expended by the Water Commissioners in laying said main. (Affirmative, 119, Negative, none.)

Art. 9. Voted, that the Town lay a six inch water main through Mylod Street, about 1,000 feet, beginning at the junction of Main and Mylod Streets, provided the income from the takers on said Mylod Street will amount to six per cent. on the net cost of installing said water main and that the Water Commissioners be authorized to expend funds of the Water Department, including the unexpended balance from the Elm Street account, to an amount not exceeding \$950.00 in laying said main.

Art. 4. Voted, to transfer the balance remaining on Water Department, Elm Street Extension account, which amounts to \$880.92, to the "Water Department" account.

Art. 10. Voted, that the Town lay a six (6) inch water main through Fisher Street about 7,753 feet from Main to North Street, and through North Street about 1,200 feet, from Fisher to Brook Street, the same to be laid subject to a six per cent. guarantee for a period of ten years, and that the Treasurer be authorized, under the direction of the Selectmen, to issue the note or notes of the Town for a sum not exceeding eight thousand (\$8,000) dollars, the exact sum to be determined by the Water Commissioners, and for a term not exceeding ten (10) years, the proceeds of said note or notes to be expended by the Water Commissioners in laying said main. (Affirmative, 153; Negative, none).

Art. 11. Voted, that Edmund Grover provide plans for building a concrete bridge on East Street and that the sum of \$600 be raised and appropriated for the erection thereof, the work to be done under the direction of the Highway Surveyor.

Art. 12. Voted, that the Town authorize the Selectmen to build a concrete bridge at Stetson's Bridge, so-called, in conjunction with the State Highway Commission and the Norfolk & Bristol Street Railway Company and that the Treasurer, with the advice of the majority of the Selectmen, be authorized to issue a note or notes not exceeding \$1,000 for a term not exceeding ten years, the proceeds to be used in payment thereof.

Art. 13. Voted, that the Town purchase a new Hook and Ladder Truck and that the sum of \$1,000 be raised and appropriated therefor, to be raised by taxes for current year, the same to be expended under the direction of the Board of Fire Engineers.

Art. 14. Voted, that the Town purchase 1,000 feet of 2½" fire hose and twelve (12) hand extinguishers and that the sum of \$750 be raised and appropriated therefor, the same to be raised by taxes of current year and to be expended under the direction of the Board of Fire Engineers.

Art. 15. Voted, that both votes passed under articles 41 and 42 at the adjourned Town Meeting held on April 10th, 1911, be reconsidered and that both votes be wholly repealed.

Voted, that the Town purchase land in East Walpole on Washington Street, near Maguire's Block, and erect a brick fire engine house thereon, according to plans submitted by J. Lawrence Berry, and that the Treasurer be authorized, with the approval of a majority of the Selectmen, to issue bonds or notes of the Town for \$7,500,

made payable as follows: \$1,000 in 1912, \$1,000 each consecutive year thereafter, for six years and \$500 in 1919. Voted, that the proceeds of said bonds or notes be appropriated for the aforesaid purpose, the same to be expended under the direction of the Committee appointed at the Town Meeting held March 21st, 1910, for the purpose of securing land and buildings a fire station at East Walpole. (Affirmative, 69; Negative, 0).

Voted, that the Selectmen be authorized to acquire the lots of land comprising about eight and one-half acres, from the Pettee heirs and Thomas F. Maguire, and that the Treasurer be authorized, with the approval of a majority of the Selectmen, to issue notes or Bonds of the Town for \$4,900, payable as follows: \$1000 in 1912, \$1,000 each consecutive year thereafter for three years and \$900 in 1916, and that the proceeds of said notes be appropriated for the aforesaid purpose.

Voted that payment of these two loans be and is provided for by annual payments to be levied and raised by taxation without further vote, sufficient to pay as they mature. (Affirmative, 31; Negative, 0).

Art. 16. Voted, to give a vote of thanks to George A. Plimpton for land for schoolhouse grounds.

Art. 17. Voted, that the Town extend the electric lights on West Street from a point near the westerly side of Fay's Bridge, so-called, to the corner of West and Cedar Streets and that the sum of \$200 be raised and appropriated therefor, to be raised by taxes of current year.

Art. 18. Voted, to refer this article to the annual town meeting.

Art. 19. Voted, that the Town repair the bridge over the New York, New Haven and Hartford Railroad on Main Street, near Spring Street, and that \$325 be raised and appropriated therefor, from taxes of current year, the same to be expended under the direction of the Highway Surveyor.

Art. 20. Voted, that the Town repair its concrete sidewalks and that \$300 be raised and appropriated therefor, the same to be expended under the direction of the Highway Surveyor.

A substitute motion was made to this vote that the matter of repairing sidewalks be investigated by a Committee and it was voted:

That a Committee of Three be appointed by the Moderator to investigate the repairing of all sidewalks in the town and report at the next town meeting. Committee appointed by Moderator as follows: Fred J. Gleason, Robert H. Hartshorn, Thomas F. Maguire.

Voted, that this meeting be dissolved.

Attest:

HARRY L. HOWARD,
Town Clerk.

TOWN MEETING WARRANT.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

To either Constable in the Town of Walpole,

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of said Town of Walpole, qualified to vote in elections and town affairs, to meet at the Town Hall, in said Walpole, on Friday, the twenty-fifth day of August, 1911, at 8 o'clock P. M., then and there to act on the following articles:

Article 1. To choose a Moderator to preside in said meeting.

Art. 2. To see if the Town will vote to raise and appropriate or transfer an additional sum of money for the expenses of the Fire Department, or do or act anything in regard to the same.

Art. 3. To see if the Town will vote to raise and appropriate or transfer an additional sum of money for the expenses of the Forest Fire Warden, or do or act anything in regard to the same.

Art. 4. To see if the Town will vote to raise and appropriate or transfer an additional sum of money for the expenses of the Board of Health, or do or act anything in regard to the same.

Art. 5. To hear and act on the report of any Committee, to choose any Committee the Town may think proper, and transact any other business that may legally and properly come before the Town.

Art. 6. To see if the Town will vote to instruct the Selectmen in any way regarding the re-building of the Stetson Bridge, so-called, and raise and appropriate or transfer such additional sums of money as may be necessary for that purpose.

Art. 7. To see if the Town will vote to instruct the Selectmen to extend the electric lighting system on Mylod Street from Main Street to the Norwood town line.

Art. 8. To see if the Town will vote to rebuild or repair the sidewalk on Common Street, between Ells and Clapp Streets, and raise and appropriate or transfer money for this purpose.

Art. 9. To see if the Town will vote to build a gravel or cinder sidewalk on Washington Street from the end of the present sidewalk

near Short Street to High Plain Street, and raise and appropriate or transfer a sum of money therefor.

Art. 10. To see if the Town will vote to instruct the Highway Surveyor to purchase additional oil for streets, and raise and appropriate or transfer money therefor.

Art. 11. To see if the Town will vote to put in a catch basin on the corner of Main Street and Neponset Ave., and raise and appropriate or transfer money therefor.

Art. 12. To see if the Town will vote to furnish and equip a police station at the new fire station now building at East Walpole, and raise and appropriate or transfer a sum of money therefor.

Art. 13. To see if the Town will vote to rebuild the sidewalk on Washington Street in East Walpole, from Union Street to the watering trough, and raise and appropriate or transfer money therefor.

And you are directed to serve this warrant by posting attested copies thereof, one in each of the Post-offices, and in not less than ten public places in said Town, seven days at least before the time set for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon to the Town Clerk, at the time and place of meeting aforesaid.

Given under our hands and the seal of the Town, the eleventh day of August, in the year one thousand nine hundred and eleven.

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE W. POORE,
Selectmen of Walpole.

WALPOLE, MASS., Aug. 25, 1911.

NORFOLK, SS.

By virtue of the within warrant, I have notified the inhabitants of the Town of Walpole, qualified to vote at Elections and Town affairs to meet at the time and place and for the purposes mentioned by posting true and attested copies of the within warrant, one in each of the Post-offices and in not less than ten public places in said Town seven days at least before the time set for said meeting.

HOWARD PATTON,
Constable of Walpole.

SPECIAL TOWN MEETING.

Pursuant to the foregoing warrant, a meeting of the inhabitants of the Town of Walpole was held at the Town Hall, in said Walpole, on Friday the twenty-fifth day of August, 1911, at 8 o'clock P. M.

The meeting was called to order at the time and place named in said warrant by Harry L. Howard, Town Clerk, who presided at the choice of Moderator.

Article 1. Upon motion duly made and seconded, it was voted that the Town Clerk be instructed and directed to deposit one ballot for Handel L. Jepson for Moderator. Acting under the above instructions, the Town Clerk did deposit one ballot for Handel L. Jepson and he was declared elected Moderator.

Art. 2. Voted, that the sum of \$1,400 be transferred from the Overlayings account for the use of the Fire Department.

Art. 3. Voted, that the sum of \$400 be transferred from the Overlayings account for the use of the Forest Fire Warden.

Art. 4. Voted, that the sum of \$200 be transferred from the Overlayings account for the use of the Board of Health.

Art. 5. Voted, to lay this article on the table for the present.

Art. 6. Voted, that the sum of \$300 be transferred from the account of Drainage of Public Library Lot for the expense of rebuilding of Stetson Bridge, so-called, on Main Street.

Art. 7. Voted, that the Selectmen be instructed to extend the electric lighting system on Mylod Street from Main Street to the Norwood Line.

Art. 8. Voted, that the sum of \$400 be transferred from the Overlayings account for the expense of repairing the sidewalk on Common Street between Ellis Street and Clapp Street.

Art. 9. Voted, that the Selectmen petition the County Commissioners to have the street bounds established on both sides of Washington Street, between Short Street and High Plain Street and that the Selectmen be instructed to bring in recommendations and estimates at the next annual town meeting for building a sidewalk between Short Street and High Plain Street.

Art. 10. Voted, that the sum of \$530 be transferred from the Overlayings account for oiling of streets, one-half of said sum to

be expended in Walpole Centre and one-half in East Walpole, said work to be done under the supervision of the Highway Surveyor.

Art. 11. Voted, that the sum of \$180 be transferred from the Overlayings account to build a catch basin at the corner of Main Street and Neponset Avenue, said work to be done under the direction of the Highway Surveyor.

Art. 12. Voted, that the sum of \$800 be transferred from the Overlayings account to furnish and equip a police station at the new Fire Station at East Walpole.

Art. 13. Voted, that the sum of \$175 be transferred from the Overlayings account to re-build the sidewalk on Washington Street in East Walpole from Union Street to the watering trough.

Art. 5. Voted, that the highway bounds on both sides of Washington Street from the Norwood town line to High Plain Street be determined by the County Commissioners when the County Commissioners are petitioned to widen Washington Street over Arch at Neponset River. Also that County Commissioners establish bounds on both sides of Washington Street from the Norwood line to the Foxborough line.

Voted, that this meeting be dissolved.

Attest:

HARRY L. HOWARD,
Town Clerk.

WARRANT FOR STATE PRIMARY.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, ss.

To either of the Constables of the Town of Walpole:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of Precinct 1 of said Town of Walpole, who are qualified to vote in State Primaries, to meet in the Town Hall, and the inhabitants of Precinct 2, of said Town of Walpole, who are qualified to vote in State Primaries, to meet in Bird Hall, in said Town, on Tuesday, the twenty-sixth day of September, 1911, it being the sixth Tuesday preceeding the State election, at six o'clock P. M., for the following purposes:

To bring in their votes to the Primary Officers for the nomination of candidates of Political Parties for the following offices:

Governor, Lieutenant Governor, Secretary, Treasurer and Receiver General, Auditor and Attorney General for the Common-

wealth, Councillor for Second Councillor District, Senator for Second Norfolk Senatorial District, Representative for Tenth Norfolk Representative District, County Commissioner, Register of Deeds and Clerk of Courts for Norfolk County, and for the election of the following officers: Members of State Committee for the Second Norfolk Senatorial District, Members of Town Committees for the Town, Delegates to State Conventions of Political Parties.

All the above candidates and officers are to be voted for upon one ballot.

The polls may close as early as eight-thirty p. m.

And you are directed to serve this warrant by posting attested copies thereof in each of the Post Offices, and in not less than ten public places in said town, seven days at least before the time set for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Warden of each Precinct at the time and place of said meeting.

Given under our hands and the seal of said Town, the fifteenth day of September, in the year one thousand nine hundred and eleven.

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE. W. POORE.

Selectmen of Walpole.

WALPOLE, MASS., Sept. 25, 1911.

NORFOLK, SS.

By virtue of the within warrant, I have notified the inhabitants of the Town of Walpole, qualified to vote at State Primaries to meet at the time and places and for the purposes mentioned in said warrant by posting true and attested copies of the within warrant, one in each of the post offices and in not less than ten public places in said town seven days at least before the time set for said meeting.

HOWARD PATTON,
Constable of Walpole.

STATE PRIMARY ELECTION.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Pursuant to the foregoing warrant, the inhabitants of Precinct 1, qualified to vote at elections and town affairs, met in the Town Hall, in said Walpole, on Tuesday the twenty-sixth day of September, 1911, and the inhabitants of Precinct 2 in said town, qualified to vote at elections and town affairs, met in Bird Hall, in said town, on said day at six o'clock in the afternoon to bring in their votes

for the candidates named for the offices enumerated in said warrant:

The meeting in Precinct 1 was called to order by George H. Gough, Warden, who was assisted by the following election officers:

Frank Swan, Inspector; Dwight H. Smith, Deputy Inspector; Frank N. Spear, Deputy Warden; George H. Ryan, Clerk; John P. O'Brien, Deputy Clerk; Otis J. Dionne, Inspector; Frank F. Kivlin, Deputy Inspector.

The meeting was called to order in Precinct 2 by Thomas M. Crowley, Warden, who was assisted by the following election officers:

James E. Smith, Deputy Warden, Fred V. Bell, Clerk; Thomas H. Smith, Inspector; Wm. F. Sline, Deputy Inspector; Fred Y. French Inspector; Fred I. Plaisted, Deputy Inspector; Benj. S. Whittier, Deputy Clerk.

The meeting in each precinct was conducted in the usual manner and according to law.

After canvass had been made of all ballots as required by law it was found that the register of each ballot box was as follows:

Precinct 1, 155 ballots cast.

Precinct 2, 40 ballots cast.

The names checked on the voting lists compared alike with the registers on each ballot box.

Upon completion of canvass of all votes cast and the whole number duly sorted, counted and recorded, declaration thereof was made in open town meeting as required by law and was as follows:

Attest:

HARRY L. HOWARD,
Town Clerk.

WARRANT FOR STATE ELECTION.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, ss.

To either of the Constables of the Town of Walpole:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of Precinct 1 of said Town of Walpole, qualified to vote in elections, to meet in the Town Hall, and the inhabitants of Precinct 2, of said Town of Walpole qualified to vote in elections to meet in Bird Hall, in said Town, on Tuesday next after the first Monday in November, it being the seventh day of November, in the year one thousand nine hundred and eleven, at six o'clock in the forenoon, to bring in their votes for the following officers, to wit:

Governor for the Commonwealth; Lieutenant-Governor for the Commonwealth; Secretary for the Commonwealth; Treasurer and Receiver General for the Commonwealth; Auditor for the Commonwealth; Attorney General for the Commonwealth; Councillor for Second Councillor District; Senator for Second Norfolk Senatorial District; Representative for Tenth Norfolk Representative District; County Commissioner for Norfolk County; Register of Deeds for Norfolk County; Clerk of Courts for Norfolk County.

And "Yes" or "No" upon the question of approving the following Amendments to the Constitution, to wit: "Shall the proposed amendment to the Constitution, authorizing the use of voting machines at all elections be approved and ratified?" and "Shall the proposed amendment to the Constitution, increasing the power of the Legislature to authorize the taking of land and property for highways or streets be approved and ratified?" and "Shall an act passed by the General Court in the year nineteen hundred and eleven, entitled 'An act authorizing the Counties of the Commonwealth to establish retirement systems for their employees,' be accepted?" All on one ballot.

The Polls may close as early as two in the afternoon.

And you are directed to serve this warrant by posting attested Copies thereof in each of the Post-offices, and in not less than ten public places in said Town, seven days at least before the time set for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk on or before the time set for said meeting.

Given under our hands and the seal of said Town the twenty-seventh day of October, in the year one thousand nine hundred and eleven.

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE W. POORE,
Selectmen of Walpole.

WALPOLE, MASS., Nov. 6, 1911.

NORFOLK, SS.

By virtue of the within warrant, I have notified the inhabitants of Precinct 1 and Precinct 2 of said Town of Walpole, qualified to vote in elections, to meet at the time and place and for the purposes mentioned, by posting true and attested copies of the within warrant one in each of the Post-offices, and in not less than ten other public places in said Town, seven days at least before time set for meeting.

HOWARD PATTON,
Constable of Walpole.

STATE ELECTION.

November 7, 1911.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Pursuant to the foregoing warrant, at a legal meeting, the inhabitants of Precinct 1 of the Town of Walpole, qualified to vote at elections and town affairs met in the Town Hall in said Walpole, on Tuesday the seventh day of November, 1911, and the inhabitants of Precinct 2 in said Town of Walpole, qualified to vote at elections and town affairs met in Bird Hall in said town on said day at six o'clock in the forenoon to bring in their votes for the following officers, to wit:

Governor, Lieutenant Governor, Secretary, Treasurer and Receiver General, Auditor and Attorney General for the Commonwealth, one Councillor for the Second Councillor District, one Senator for the Second Norfolk Senatorial District, one Representative to the next General Court for the Tenth Norfolk Representative District, one County Commissioner and one Clerk of Court for Norfolk County and one Register of Deeds for Norfolk County.

(1) Also to vote on the following constitutional amendments: "Shall the proposed amendment to the Constitution authorizing the use of voting machines at all elections be approved and ratified?"
(2) "Shall the proposed amendment to the Constitution increasing the power of the legislature to authorize taking of land and property for highways or streets be approved and ratified?" Also to vote on the following act: "Shall an act passed by the General Court in the year 1911 entitled 'An Act authorizing the Counties of the Commonwealth to establish retirement systems for the employees' be accepted?"

The meeting was called to order in Precinct 1 by George H.

Gough, Warden, who was assisted by the following election officers: Frank Swan, Inspector; Dwight H. Smith, Deputy Inspector; Frank N. Spear, Deputy Warden; George H. Ryan, Clerk; John P. O'Brien, Deputy Clerk; Otis J. Dionne, Inspector; Frank F. Kivlin, Deputy Inspector.

The meeting was called to order in Precinct 2 by Thomas M. Crowley, Warden, who was assisted by the following election officers: James E. Smith, Deputy Warden, Fred V. Bell, Clerk; Thomas H. Smith, Inspector; William F. Sline, Deputy Inspector; Fred Y. French, Inspector; Fred I. Plaisted, Deputy Inspector; Benj. S. Whittier, Deputy Clerk.

The meeting in each precinct was conducted in the usual manner and according to law. After the polls had closed and the canvass of all votes was completed, it was found that the registers read as follows:

The register in Precinct 1 showed that 490 ballots had been cast. The names checked on the voting list used in Precinct 1 were counted and it was found that 490 names had been checked thereon. The register in Precinct 2 showed 177 ballots cast. The names checked on the voting list used in precinct 2 were counted and it was found that 177 names had been checked thereon.

Upon completion of the canvass of all the votes cast and the whole number duly sorted, counted and recorded, declaration thereof was made in open town meeting as required by law and was as follows:

HARRY L. HOWARD,
Town Clerk.

TOWN CLERKS' ANNUAL MEETING.

The Clerks of the Towns of Norwood, Walpole and Westwood, in the County of Norfolk, comprising the Tenth Norfolk Representative District, at their meeting in Village Hall in said Norwood, on Friday the seventeenth day of November, 1911, at twelve o'clock noon, it being the tenth day following election, made out under their hands the following complete return of all votes cast for Representative to the General Court in said District as follows:

	Willie W. Baker	John B. Rooney	Others	Blanks
Norwood,	592	502		96
Westwood,	107	39		13
Walpole,	324	293	2	48
	<u>1023</u>	<u>834</u>	<u>2</u>	<u>157</u>

Signed:

WILLIE W. BAKER,
Town Clerk of Westwood.
HARRY L. HOWARD,
Town Clerk of Walpole,
JOHN F. KILEY,
Town Clerk of Norwood.

TOWN MEETING WARRANT.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

To Howard Patton, or either Constable in the Town of Walpole:
Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify the inhabitants of said Town of Walpole, qualified to vote in elections and town affairs, to meet at the Town Hall, in said Walpole on Wednesday, the twenty-seventh day of December, 1911, at eight o'clock, P. M., then and there to act on the following articles:

Article 1. To choose a Moderator to preside in said meeting.

Art. 2. To see if the Town will vote to raise and appropriate or transfer such sums of money as are necessary to defray the expenses of the town for the present municipal year, or do or act anything in regard to the same.

Art. 3. To see what action the Town will take regarding the decree of the County Commissioners for the widening and re-location of Elm Street and raise and appropriate or transfer money therefor.

Art. 4. To see what action the Town will take regarding the decree of the County Commissioners for the widening and re-location of Pine Street and raise and appropriate or transfer money therefor.

Art. 5. To see what action the Town will take regarding the decree of the County Commissioners for the widening and re-location of Water Street and raise and appropriate or transfer money therefor.

Art. 6. To see if the Town will request the School Committee to maintain an evening school and raise and appropriate or transfer money therefor, or do or act anything in relation to the same.

Art. 7. To see if the Town will vote to authorize the Engineers of the Fire Department to sell at public sale or otherwise, the old Hook and Ladder Truck belonging to the Central Fire Station.

Art. 8. To see if the Town will vote to authorize the Selectmen to sell to Petitioner a certain strip of land about 16 feet in width, situated on southerly side of Stone Street and easterly from the New England Telephone and Telegraph Company, or any part thereof, and the Town Treasurer be authorized and empowered to execute deed thereof in behalf of the Town, or do or act anything in regard to the same. (Petition of Alfred S. Harris).

Art. 9 To see if the Town will instruct the Selectmen to petition the next General Court to have the boundary line between the Towns of Foxborough and Walpole so changed that the proposed line shall run from a point on the dividing line between the two said towns, opposite the residence of Lillian M. Young, on Water Street, to a point on the said line, on the southwesterly side of the residence of Annie M. Morrissey near Summer Street.

Art. 10. To see if the town will authorize the Selectmen to employ an engineer to establish street numbers throughout the town and raise and appropriate or transfer money therefor.

Art. 11. To see if the Town will vote to accept the provisions of Section 37 of Chapter 19 of the Revised Laws and amendments thereto, or do or act anything in relation to the same. (Petition of Richard H. Kannally and others).

Art. 12. To hear and act on the report of any Committee, to choose any Committee the Town may think proper and transact any other business that may legally and properly come before the town.

Art. 13. To see if the Town will vote to raise and appropriate or transfer such sums of money as may be necessary for the completion of the East Walpole Engine House and grading the grounds around the same.

And you are directed to serve this warrant by posting attested copies thereof in each of the Post Offices, and in not less than ten public places in said Town, seven days at least before the time set for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon to the Town Clerk, at the time and place of meeting aforesaid.

Given under our hands and the seal of said Town, this fifteenth day of December, in the year one thousand nine hundred and eleven.

HENRY M. STOWELL,
DANIEL A. DONNELLY,
GEORGE W. POORE,
Selectmen of Walpole.

WALPOLE, MASS., December 22, 1911.

NORFOLK, SS.

By virtue of the within warrant, I have notified the inhabitants of the Town of Walpole, qualified to vote at elections and town affairs, to meet at the time and place mentioned by posting true and

attested copies of the within warrant, one in each of the Post Offices and in not less than ten public places in said Town seven days at least before the time set for said meeting.

WILLIAM F. RIORDAN,
Constable of Walpole.

SPECIAL TOWN MEETING.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Pursuant to the foregoing warrant, a meeting of the inhabitants of the Town of Walpole was held at the Town Hall in said Walpole on December 27, 1911, at eight o'clock in the evening.

The meeting was called to order by Henry M. Stowell, Chairman of the Board of Selectmen on account of the absence of the Town Clerk.

The name of Edmund Grover was put in nomination and recorded for Clerk pro tem and after being duly balloted for, he was declared elected to preside at said meeting and presided at the choice of Moderator.

Article 1. Mr. H. L. Jepson was nominated for Moderator, and the Clerk pro tem was instructed to cast one ballot for Mr. Jepson and he was declared duly elected.

Art. 2. It was voted that the sum of \$50 be transferred from the Corporation tax to the Printing and Stationery account.

Voted, that the sum of \$300 be transferred from the Corporation tax to the Police and Court Expenses account.

Voted, that the sum of \$30 be transferred from the Corporation tax to the Fire Alarm Maintenance account.

Voted, that the sum of \$250 be transferred from the Corporation tax to the Outside Poor account.

Voted, that the sum of \$19.50 be transferred from the Corporation tax to the Town Officers account.

Art. 3. Voted, that the sum of \$1160 be transferred from the Corporation tax for the widening and relocation of Elm Street.

Art. 4. Voted, to postpone to the next Annual Town Meeting.

Art. 5. Voted to postpone to the next Annual Town Meeting.

Art. 6. Chairman of School Board wished Superintendent Kingman to present the matter of Evening School. Mr. Kingman reviewed the history of the Evening School in Walpole during the past 3 or 4 years and the prospects for the coming season. It was

then voted to lay this Article on the table, the Committee of 15 retiring to bring in their recommendation.

Art. 7. Voted that the Town authorize the Superintendent of the Fire Department to sell the old Hook and Ladder truck. Moved to amend by adding "by public auction," and finally voted that this Article be indefinitely postponed.

Art. 8. Voted, that this Article be indefinitely postponed.

Art. 9. Voted, that the Selectmen be instructed to petition the next General Court to have the boundary line between the Towns of Foxboro and Walpole so changed that the proposed line shall run from a point on the dividing line between the two said Towns opposite the residence of Lillian M. Young on Water Street, to a point on the said dividing line on the southwesterly side of the residence of Annie M. Morrissey, Summer Street.

Art. 10. Voted that the Selectmen be authorized to employ an engineer to establish street numbers throughout the Town and that the sum of \$200 be transferred from the Corporation tax therefor.

Art. 11. Voted, that this Article be indefinitely postponed.

Art. 12. Voted, that a Committee of three be appointed by the Moderator to confer with Mr. Alfred S. Harris in regard to the purchase of land referred to in Article 8, said Committee to report at a future Town meeting. Also voted that the Moderator have power to fill vacancy. Committee appointed: Harry A. Whiting, Chairman, Joseph S. Leach, Thomas F. Maguire.

Art. 13. Voted, that the sum of \$1,000 be transferred from the Corporation Tax for the completion of the East Walpole Engine House and for grading the grounds around the same.

Art. 6. Was then taken from the table, and it was voted that the sum of \$500 be transferred from the Corporation Tax for the support of an Evening School

It was then voted to adjourn.

EDMUND GROVER,
Clerk, *pro tem.*

APPOINTMENTS.

THIRTY-SIXTH

ANNUAL REPORT

OF THE

Trustees of the Public Library

OF THE

Town of Walpole

FOR THE

YEAR ENDING DECEMBER 31, 1911

REPORT OF TRUSTEES OF PUBLIC LIBRARY.

Following is the report of the Board of Trustees, also the report of the Librarian to which we call especial attention.

In accordance with the vote of the Town at the adjourned Town Meeting last April, the Trustees purchased for the sum of \$80.00 the books known as The Catholic Encyclopedia. So far, twelve volumes have been received. We are advised by the publishers that they hope to send the last volume about October, 1912. (The full set consists of fifteen volumes).

The Trustees felt at the time a Committee met with them to discuss the purchase of these books that they were not justified in expending for this purpose so comparatively large a sum of money from the regular appropriation, particularly so while this work was in the process of publication. We believe that our duty to the citizens of Walpole does not end with the purchase of books, but should be carried further in an effort to have the books used after they are purchased. Many times the results have been disappointing, especially so with books of Reference, and the Catholic encyclopaedia is no exception. The Trustees hope that the interest will increase, as this evidence alone is a great help in making selections.

We are glad to report that our annual request for proper drainage at the Library has been granted and a system installed which after several severe tests has proved to be very satisfactory.

In last year's report, mention was made of the proposed work in the Children's Department. This is most important, since it offers such a wonderful opportunity for the formation of the reading taste of the next generation. The literature our children learn to love to-day is going to be demanded by the adult townspeople to-morrow.

Miss Daisie Miller, who inaugurated our story hour, was our assistant from January until August and left us to accept a position in the Williams College Library and Miss Forster of Wrentham, who has also been a student at Simmons College took her place.

Every Saturday morning at ten-thirty, Miss Forster gathers about her the children who are invited, three public school grades at a time and introduces them to the marvellous work of fairy tales, nature stories, mythology, history or the adventures of possible girls and boys who "might have lived but didn't" as one listener termed them.

We feel gratified by the results of this work: the attendance has borne witness to the popularity of these story hours: the average

attendance being 22 and the maximum 35. When we think of those of the present generation who are failing to grasp the vast possibilities for enjoyment lying at their very hands within the library walls, we are impelled to bring to the knowledge of the children the hundreds of friends, who, as Emerson puts it, are imprisoned by an enchanter in paper or leather boxes, eager to give them a sign but unable to speak until spoken to.

The Trustees are considering the adoption of methods by which they hope to attract the readers of the town. Bulletin boards are to be placed in public places and manufactories, which will contain, at intervals, notices calling attention to large numbers of books now in the library, which have been either forgotten or overlooked as well as the recent additions to the shelves, which contain valuable matter, from a literary, scientific, vocational or practical point of view.

Each year the report of the library, including the list of the new books is published separate from the town report, and may be secured from the librarian upon application. This will be found very useful as an aid in the selection of books at home.

It gives us pleasure to acknowledge the kindness of the public-spirited citizens who have aided us during the year by transporting books to South Walpole and East Walpole free of charge.

The gifts, which have been received, have been much appreciated and we wish to express our gratitude to the donors.

We take this opportunity to thank the Librarian and her assistants for all they have so ably and willingly done for us, for the Library and for the citizens of Walpole.

In closing, we would ask the help of all interested in the Library in a very practical way. We would esteem it a great favor if suggestions for the enlargement of our work as well as lists of desired books might be handed to any member of the Board or to the Librarian.

The Trustees request an appropriation of twenty-eight hundred dollars (\$2,800.00) for the maintenance of the Library during the coming year.

WILLIAM F. SMITH,
 MARTHA W. ALLEN,
 MARIAN E. CHILD,
 ELEANOR W. GUILD,
 HORACE C. METCALF,
 LEWIS F. FALES,

Trustees of the Walpole Public Library.

REPORT OF THE LIBRARIAN.

To the Trustees of the Walpole Public Library:

The circulation shows a gratifying increase over that of last year, although it has not reached the figures of 1909. It was mentioned in last year's report that books were circulated through the schools without being charged at the library to individuals. One teacher this year has made a report to the library of the books taken by her pupils, in three months, the number amounting to 369.

The child, who, in school, is stimulated to an interest in literature and in progress in the arts and sciences, and is made to realize what the library stands for, has at hand the means of continuing his studies in almost any direction on leaving school. Realizing that graduation is a critical event in the lives of boys looking forward to earning a living the librarian sent to each member of the graduating class a leaflet entitled, "Don't be a quitter," setting forth the aid of the public library in meeting the demands of life. To the same end, a series of ten books on Vocations has been added, which treats of conditions existing in the principal trades and professions. This is certainly one of the most important offices of the library, and it is desired to make its resources known and its influence felt as widely as possible. Two sets of technical books treating of applied electricity, heating and plumbing, have recently been purchased and it is hoped that they will meet the same reception as the cyclopedia of shop practice.

In considering the preponderance of fiction in the circulation, the question arises whether it is to be accounted for by a lack of interest in the more valuable and useful books. May it not be that the new novels are forced on the attention of the public in such a way as to give the impression that a library exists for the purpose of providing them? Naturally, the number of people to whom one would recommend a scientific book is comparatively small, but too often people have an air of surprise on learning that we have such books in the library.

It is discouraging to a degree for a librarian to be asked if there are any books of poetry in the library, or if we have a dictionary, and a trifle disconcerting when people hesitate to ask for books wanted for fear of giving trouble. There is nothing a librarian enjoys more than giving assistance about books. Patrons are urged to use every means to learn what the library contains and what privileges it extends to readers and students.

The Woman's Club has been the means of introducing its members to our treasures in literature and art, and as we buy several hundred books every year, we have been glad to provide such as were needed in their courses.

Photographs of Greek and Italian masterpieces, stereoscopes with views of many countries, and late periodicals with their wide

range of topics are here at your service, to be taken to your homes to amuse and instruct. It should be borne in mind that the stack room contains many books that are quite as interesting as those that have been purchased more recently, and the bound magazines are an inexhaustible storehouse of information.

Music lovers may find music for study in The Musical Record and The Musician, magazines which contain the scores of the best composers, and which, with back numbers and a new collection every month, should prove a valuable aid to the student of music.

In addition to the books and magazines mentioned in the list of gifts, the library has received a stuffed wood duck from Mrs. Louis Vose, and from Mrs. Warren Merrill, a young fox and a hen hawk. Mrs. Joseph Ellis presented a bust of the Honorable George Morey, Mrs. P. R. Allen a bust of Charles Sumner, and Mrs. Eugene Fay a quantity of geological specimens.

Lists of books and magazines follow this report; also, tables showing the work and conditions for the year.

Respectfully submitted,

IDA J. PHELPS,
Librarian.

STATISTICS OF LIBRARY WORK.

Total circulation,	25,353
Daily average,	83
Largest circulation in one month, in March,	2,447
Smallest circulation in one month, in July,	1,810
Issued in East Walpole,	2,131
Sent to South Walpole,	1,340

SEVENTEENTH

ANNUAL REPORT

OF THE

WATER COMMISSIONERS

OF

WALPOLE, MASSACHUSETTS

FOR THE

YEAR ENDING DECEMBER 31, 1911

REPORT OF WATER COMMISSIONERS.

The Board of Water Commissioners herewith present their annual report for the year ending December 31, 1911.

As in former years, the report contains a detailed statement of the receipts and expenditures, together with statistics concerning the plant.

At the annual town meeting, Henry P. Plimpton was reelected, and Richard H. Kannally was elected for two years. The Board organized with the choice of Henry P. Plimpton as Chairman, and Thos. F. Maguire as Clerk.

The plant is in good condition, no serious breaks or leaks having occurred during the year.

The following extensions to the street mains were made during the year:

Fisher Street, 9076 feet of 6-inch pipe, 2 6-inch gates, 1 4-inch blow off and 11 hydrants.

North Street, 1009 feet of 6-inch pipe, 1 6-inch gate, and 1 hydrant.

Mylod Street, 1175 feet of 6-inch pipe, 1 6-inch gate, and 1 hydrant.

Pine Street, 4549 feet of 6-inch pipe, 2 6-inch gates, 1 4-inch blow off, and 1 hydrant.

Clapp Street, 1097 feet of 6-inch pipe, 2 6-inch gates, and 2 hydrants.

Baker Street, 657 feet of 6-inch pipe, 1 6-inch gate, and 1 hydrant.

Prospect Street, 475 feet of 6-inch pipe, 1 6-inch gate, and 1 hydrant.

Clark Avenue, 264 feet of 6-inch pipe.

Proposals for furnishing the material and laying the pipe for the above extensions were duly advertised for, and bids were received from the following contractors: Joseph Morrell, M. McCarthy, John E. Palmer, Geo. H. Snell, Louis Yadisernia, and Moore and Company.

Moore and Company were given the contract, being the lowest bidders.

The above extensions were laid subject to a 6% guarantee, for 10 years; money was borrowed for the Fisher, North and Pine Street extensions, and the Baker, Clapp, Mylod and Clark Ave. extensions were paid for out of the Water Department income.

During the year we have added 74 new services, and laid 9748

feet of service pipe; this, with the 6-inch pipe laid by contract, making a total of 28,152 feet of pipe laid in 1911.

Net cost of plant to date,	\$160,786 25
Net cost to the town,	35,819 75
Net debt December 31, 1911,	94,900 00
Gain, to date,	30,066 40

Water taken from tap.

SUMMARY OF STATISTICS.

Works established 1895.

Source of supply: forty driven wells, near Low Brook, off Washington Street.

Mode of supply: by pumping into three standpipes, one 20 x 35 on tower forty-five feet in height; one 25 x 45; and one 40 x 45; capacity of three, about 675,000 gallons.

Builders of pumping machinery: The George F. Blake Manufacturing Company.

Capacity of pumping machinery: about 1,500,000 gallons in 24 hours.

Estimated population of the town	5,000
Estimated population on line of pipe,	4,300
Estimated population taking water,	4,200
Average number of gallons pumped per day,	513,526
Average number of gallons consumed by each service	572
Average number of gals. consumed by each consumer per day	122
Increase in daily consumption over 1910 in gallons	13,858
Total number of services in use,	882
Total number of services added in 1911,	74
Total number of families taking water,	950

Winter term begins December 30, 1912, continues 12 weeks.

REPORT OF SCHOOL COMMITTEE.

To the Citizens of Walpole:

The School Committee herewith begs leave to submit its annual report for the year 1911.

The Board organized with the choice of J. Edward Plimpton as Chairman and E. L. Shepard as Secretary.

Mr. Frederic W. Kingman was retained as Superintendent of Schools at the same salary as the previous year.

TEACHERS.

By vote of the Town at its annual March meeting, we were able to increase the maximum wages of grade teachers to \$600 per year, thereby saving many changes in the teaching force, which is of great help to the schools.

SCHOLARSHIP FUND.

This year Mr. Charles S. Bird very generously gave another one thousand dollars to help worthy high school graduates to obtain a higher education; this year four young men and one young lady are benefited by this gift.

SANITARY CONDITIONS.

The sanitary conditions at the Fisher School are deplorable, and action should be taken before we are driven to it by the State authorities; some plan will be presented at the annual March meeting for your consideration.

STONE SCHOOL.

There are nearly four hundred and fifty scholars in this school building, altogether too many for the size of the building. There are three teachers in this school without a room to work in except in conjunction with other teachers, making it impossible to do their best work. Increased accommodations for the pupils of this building should be provided this summer,

For an account of the educational work of the schools, we respectfully call your attention to the report of the Superintendent of Schools.

REPORT OF SUPERINTENDENT OF SCHOOLS.

To the School Committee:

In accordance with your rules, I beg leave to submit my sixth annual report as superintendent of the schools of Walpole, which is the twenty-seventh in the series of superintendents' reports.

In this the following are included:

Report of Supervisor of Music,
 Report of Supervisor of Drawing and Manual Training,
 Report of School Physicians,
 Statistics of Attendance, Enrollment and Annual School Census.
 High School Course of Study and Typical Programs,
 Teaching Staff—January 1st, 1912,
 Extracts from School Laws.

Congestion Wrought in 10 Years at Stone School, Walpole Centre.

Enrollment 1901.	Enrollment Dec. 1911.	
Grade One,	33	48
Grade One A,	22	33
Grade Two,	32	57
Grade Three,	36	51
Grade Four,	42	51
Grade Five,	34	47
Grade Six,	31	46
Grade Seven,	53	54
Grade Eight,	52	52
Total,	335	439

In 1901 a Special Committee was appointed by the town "to see about building a new school house which will supply the wants of the town for ten or fifteen years. Messrs. Plimpton and Allen of the present School Board were members of this Special Committee, Mr. Plimpton being chairman. The committee recommended the erection of "an eight room building and a location near the Center school on ground high enough to insure a dry cellar and room enough for a play ground." The site chosen was on "land owned by Mr. E. P. Stetson, consisting of all the land on Stone and School Streets below a line running from the rear of Mr. Glover's lot to that of Mr. Feely's."

The committee also advocated the acquisition by the town "of

a small strip facing on School and Stone Streets, belonging to the Briggs Estate."

The School Committee of 1901 incorporated the report of the Special Committee in their annual report and to leave no doubt as to their position added two brief but very significant statements:

"Twenty-five pupils in a room are all that we ought to have to to secure the best results."

"The Committee feels that the Town ought to take some definite action in regard to a new school building at once."

It is a matter of history that the line of action proposed in 1901 was not followed. As an alternative a few years later a school house containing 4 rooms was built at East Walpole, and transportation of the Seventh and Eighth Grades to the Centre ceased. This course afforded much needed relief in the upper two rooms but did not strike at the root of the trouble. No provision was made to avoid congestion in the first six grades. It was not until five years later, in 1906, that an addition to the Centre School was made to provide for Grade 1-A which had been a sort of peripatetic institution, in Engine House and Town Hall and possibly in other domiciles not known to the writer. For the past five years Grade 1-A has had a fixed abiding place and every pupil in the Centre School has had a seat. The congested conditions, however, continue to grow from bad to worse. It is no longer possible to give to the individual pupil the kind or amount of instruction needed. Instead of twenty-five pupils to a room, the number named by the School Committee of 1901 as most to be desired, if each child is to have justice, we find in five rooms more than twice twenty-five, in three rooms nearly twice this number, and in one room only, less than forty. In round numbers, there are one hundred more pupils at the Centre than 10 years ago when the School Committee and a Special Committee said an eight room building was needed *at once*.

Shall I make a rash statement if I now say a building of at least eight rooms is much to be desired? Were one to place the standard number for a room at 30, if such a building was now available, 15 rooms would be required to seat 439 pupils, the present membership. There are nine rooms in the Stone School. Six rooms in the new building would thus be occupied as soon as the building was completed. If the theory is accepted that every large school should have one or two rooms for special classes there would be little if any unused space even at the beginning. The question immediately arises whether any allowance should be made for future growth. Past practices in building school houses seem to indicate that the town as a whole has felt constrained to act only for the immediate present.

It is not my purpose to criticize past actions. I dare say strong reasons relating to finance and economy compelled a conservative and prudent policy. I trust it is not out of place to suggest at this time and in connection with an interest as vital as education is, that possibly changed conditions respecting population, valuations,

tax rates, industries, and educational theories demand a change of policy. It may be that true economy requires more thought of the future than we have been accustomed to give it. Prudence or providence, according to the derivation of the term means looking forward. Should we not project ourselves into the future far enough to see our boys and girls as men and women of society with livelihoods to win and with standards of citizenship to maintain? If we view our children in this light, shall we be satisfied with en masse teaching, in which only the brightest and quickest come to the top? Much, very much good is submerged and lost because we do not now afford the opportunity to do the right thing at the right time. The truest economy to society in the long years that are to be, pleads with us now to deal sympathetically and adequately with every boy and girl in our midst. Every one should have a chance to make the most of the best that is in him. Our problem is to see that so far as the schools are concerned, no obstacle shall be placed in the way of carrying the youth as far on the road to economic independence and to a wholesome and uplifting enjoyment of leisure as the circumstances of working people will permit. What we will sacrifice for our children is the measure of our desire for their future well-being. Being laboring people, we have no other means than education in the public schools to procure for our children a better position in life than we ourselves have enjoyed. To provide the necessary education, we must sacrifice more of our income than we have been in the habit of doing and we must learn to look upon money spent for education as an investment rather than an expense. Rich people with ample means have long realized that one of the best ways of perpetuating the social and economic standing of the members of their families is to place their children in schools where classes are so small that individual attention is assured. The higher cost of tuition in private schools has been gladly paid not only because the fortunate parent could afford it but also because of the certainty, generally speaking, of the far greater money value of the education received. Even people of moderate means often take their children out of the public schools because we are so prone to act as though a mere seat in a crowded school were synonymous with the acquiring of an education.

The public schools ought, in all fairness, to be relieved of the necessity of being the scorn of the rich. They ought to be so equipped with the facilities for meeting effectually the needs of all kinds of children as to offer no legitimate excuse for complaint on the part of any large portion of the community however intelligent and public-spirited.

It is my judgment that it would be a grievous mistake to tolerate longer the extremely congested state of affairs at the Stone School.

If there is to be any money spent for the construction of public buildings the coming year, by all means let us consider the children's needs first.

Reorganization of the School System.

The question of enlarged accommodations for the Stone School invites one to a discussion of a still broader and more fundamental educational proposition, viz., a complete reorganization of the school system. The most vulnerable point in public schools as at present organized is thought by many leaders in education to lie in the work of the seventh and eighth grades. "Here is the great battle ground of Educational reform to-day." It is contended that eight or nine years in elementary or grammar schools and four years in high school have no justification in history, psychology, or logic. Historically, in America, Education beyond the elementary schools did not follow existing classifications until well into the nineteenth century. In European countries, for example, Germany, France and England, the youth is not required to spend eight or nine years in elementary schools before going to a secondary school. The same is true of Japan. In all of these countries, secondary education is pursued for six, seven, eight, or nine years. The elementary school program ends at the age of nine or ten years.

Psychologically, we find that a new period of existence is dawning about the age of twelve, one to which the methods of the graded school as we know it, are not well adapted. "To keep the adolescent under the restrictive and arbitrary discipline of the ordinary elementary school is to sin against nature and commit an offense against the laws of social well-being.

"To employ with him the methods of instruction and training of the elementary schools is to provoke him to truancy, encourage him to evade school work, and impel him to forsake school duties altogether. The beginning of adolescence is most emphatically the beginning of the period of secondary education. As our schools are organized to-day, this fact is ignored."

Lastly, there is no basis in reason for not organizing the schools so as to minister to individual aptitudes, tastes, and capacities after the school arts have been acquired. I think no one will dispute that given the right conditions for the first six years of school life, reading, writing, spelling, and arithmetic thereafter, do not merit first place. Following a mastery of the elements of an education should come the training that fits for a life career. The great defect of our schools is that in the vast majority of cases the life career motive is not present during the processes of formal education.

As the work of the seventh and eighth grades under this new conception is so different from that of the lower grades, so should the environment and administration be radically changed. With us, the practical way of making a change would be to place these two upper grades in the high school building where they psychologically belong. This step, of course, could not be taken without enlarging the high school building. But the question of increased school accommodations is the main issue at the present time, if we are to sustain successfully the proud claim of the Walpole Board of Trade

that we have "the most complete school system of any town in the State of similar population." We can not act for the best interests of the town by considering only how to get increased facilities at the Stone School. Nor can we leave out of account the introduction into the school system before many years of vocational training and the age at which such training should begin. The drift of advanced thinking seems to be that the elementary undifferentiated course should end with the close of the sixth year. Then should commence the education preparatory to entrance upon trades, agriculture, commercial pursuits, and professional callings. In view of considerations of this kind, it is wisest to treat the question of school development in the broadest way. To be specific, let me suggest that the matter presents itself to the writer in this form. Shall the town build a single school building at the Center for the relief of congestion in the Stone School or shall it enlarge the High School Building to a capacity sufficient to take care of pupils in the Seventh and Eighth Grades from the North, South, East, West and Center, and possibly also, if the crowded conditions were not sufficiently eased by removing the Seventh and Eighth Grades from the Stone School, construct a smaller building at the Centre than would be required for Eighth Grades, as now organized? It is best in any event to act only after the most careful study of the whole situation by a Competent Committee, composed preferably of members of the School Committee and Board of Trade.

That no one may think the scheme of six years of elementary schools and six years of secondary schools is visionary and untried, I will conclude the discussion of this subject by quoting a recent writer in the "Educational Review," a gentleman with whom I am personally acquainted.

"It seems certain that this idea is destined to become popular. Indeed, it is already in successful operation in several cities, notably Berkeley, California, and Columbus, Ohio, and other cities are seriously considering its adoption."

Bird Scholarships.

These scholarships were established in 1910 and renewed in 1911. Six graduates of the Walpole High School have been given the financial assistance which this fund is designed to supply. The colleges attended are, Boston College, Massachusetts Agricultural, Trinity, University of Pennsylvania, and Simmons. In three instances there has been a renewal of aid. The first awards in all cases have been \$200 each, the second, \$100 each. In one instance a loan has been requested and granted.

As several misunderstandings have arisen concerning the conditions that govern the award of scholarships, it seems desirable to state here what I have on more than one occasion explained to the pupils of the High School.

In the first place, scholarships are not granted indiscriminately,

without regard to scholarship. A student who does barely enough to graduate, or whose deportment is unsatisfactory is not eligible. The creator of the scholarship fund stated in a letter to the School Board that "the money was to be used to educate worthy and needy graduates of the Walpole High School, preferably, though not necessarily, along industrial or technical lines. I suggest that those graduating having obtained the highest rank in scholarship in the High School shall have the preference." In harmony with the wish thus expressed and with the full approval of all members, the School Board have drawn up the following rules and regulations:

Under this fund, scholarships will be awarded or loans made to High School graduates. Preference will be given to those pupils who go to a technical or an industrial school, but if at any time there are funds available, at the discretion of the School Board, it may also be used for those pupils who go to any higher schools of learning. Preference will be given to those pupils who make the best records in scholarship throughout the High School Course.

The Committee is to have full power as to the amount and terms of the distribution; also, as to the terms of repayment of the amounts that may be made as loans.

The amount given each year will depend upon the amount available and also upon the number of worthy applicants.

The Committee reserves the right to discontinue aid on evidence that the recipient is not keeping up to a high standard of work.

Those scholars who intend to continue their education in other schools and would like to be candidates for this scholarship, should file their application with the Principal of the High School before May 15th.

The School Board reserves the right to modify these conditions from time to time as they may see fit.

In granting scholarships, the Committee act on the rule that only those graduates who have attained an average of B or 80 per cent. or a higher grade in their studies throughout the four years or during the last year of school shall be considered eligible to a scholarship.

A scholar who falls below this standard may be able, although this is highly improbable, to pass college examinations, and if we should have such cases, the rules of the Committee are elastic enough to act favorably on applications for a scholarship from this source.

It should be emphasized that the Committee cannot promise the renewal of a scholarship to any recipient. The amount in the fund and the number of applicants will decide a question of this kind.

Conclusion.

The space allowed for this report forbids that I should do more than make mention of the many improvements that have been adopted the past year. The direction of play activity, a more efficient system of medical inspection, a principal's assistant at the

Stone School, an additional teacher at the High School with the consequent lengthening of the school period, more time and a better system in manual training, the incorporation of the Kindergarten into the public school system, the increase of teachers' wages, the very great improvement in school spirit and co-operation at the High School, are all things which help to make our schools more efficient and encourage those who have the work to do to maintain their faith in the sufficiency of an enlightened public sentiment to secure ultimately the things essential to a good education.

In closing, I call attention to the extracts from school laws, some of which are very recent, and all of which are important. All special reports should be read no less carefully than this report. The expert is in our midst. Let us hear what he may have to say that is for the profit of our children.

Respectfully submitted,

FREDERIC W. KINGMAN,

Superintendent of Schools.

REPORT OF SUPERVISOR OF MUSIC.

To the Superintendent of Schools:

In submitting my second annual report, I take pleasure in saying that in most cases the work in music is progressing in a satisfactory manner. I wish to speak particularly of the improvement in the spirit with which the High School is taking hold of the work. Last spring a small orchestra was started in the High School and has been continued this year. Good interest is manifested and there has been an opportunity for playing in public several times.

"There is no art without the mastery of form." For many years music has been considered merely an art. It is now being recognized more and more as is shown by the courses allowed in colleges and even in some High Schools. Song singing is our final aim, but to sing songs correctly and with understanding, the form must be mastered. The future music of our country must come from those who are children now. How can they be reached but through the schools? It is my aim to establish a thorough foundation of principles that will last. And by becoming familiar with certain standard works to create a love for and appreciation of really good music.

In my report last year I spoke of how much more could be accomplished if the supervisor could have two days for the work. I hope the time is not far distant when that can be considered.

Respectfully submitted,

HELEN D. DAGGETT,

Supervisor of Music.

REPORT OF SUPERVISOR OF DRAWING AND MANUAL TRAINING.

Mr. F. W. Kingman, Superintendent of Schools:

I submit herewith my report on the work in drawing and manual training of the Walpole Schools.

A course in study of art and drawing should have both aesthetic and industrial value. It should aim to cultivate an intelligent appreciation of beauty in nature and the arts; to develop power, skill, and individuality in expression, and encourage invention and originality in production. To make such a course practical, the work must be developed along two lines: first, in the study and practice in the drawing-period; secondly, in the application of the knowledge gained, that is, the use of drawing as a help to expression in all lines of study.

The development of drawing in the community lies in our public school training. From the first grade in grammar school to the last year in high school, each pupil should have an opportunity to express his or her own desire to draw. Of course, we find a few pupils in our public schools who show true ability and talent for drawing. If such pupils were separated from the rest of the class and given special training, excellent results could be obtained. This, however, is not the purpose of drawing in the public schools. Such special training should be possible in the last years in the high school, but for the greater part of the school course the instruction should be made to fit more closely the average pupil. We should not try to develop artists, but to instil in every child a fair understanding of the technique of drawing and also an appreciation of beauty.

Manual training has now been fairly established in the schools. Our shops are now in tolerable condition, and with a few more tools, will be fairly complete. The boys have added to the equipment by remodelling the benches, making two cabinets, mallets and bench-hooks; in fact, owing to the poor condition of the shops at the Stone and High School, a great deal of time has been spent on this work

during the fall term. Beginning the New Year, however, we are ready to do work which will speak for itself at the exhibition in June.

In each shop we have adopted the check system, which has proved good, not only in keeping the tool cabinet in excellent condition, but also in teaching the boys the care of tools, and the running of a good shop.

Respectfully submitted,

ERNEST W. TUTTLE,

Supervisor of Drawing and Manual Training.

REPORTS OF SCHOOL PHYSICIANS.

To the Superintendent of Schools:

Examination of all pupils of the Stone School which began soon after the opening of the school year, showed a fewer number of adenoid cases than in previous years. Up to the date of this report there have been no cases of skin disease due to scabies or the itch. A few children have been excluded for pustular skin disease, and a large number for pediculosis. Several for the presence of nits in the hair.

The attention of parents having been called to the above named physical conditions, it is gratifying to note that parental cooperation has been freely bestowed and conditions rectified for the most part. Continued attention is demanded on the part of some. All parents should bear in the mind the following rule given by the School Committee, viz.: Any child having pediculi or live bodies in the hair or any child showing the presence of nits (which means that live bodies are or were present there) are ordered excluded.

This rule will constantly be enforced.

With the exception of a few cases of diptheria, tonsilitis, and colds or influenza, this school has been free from any disease which assumed the nature of an epidemic.

Postural Deformities, or Deformities due to Faulty Positions.

The above received considerable attention during the year. There were thirty cases in which spinal curvature, markedly rounded shoulders and deflected spines were observed. Attention of parents was called to these conditions and suggestions were made that they be referred to their family physician or to hospitals for correction. The names of these children have also been given to the Principal,

Mr. L. O. Cummings, so that he, as physical director, may select and order the proper exercises in School to correct, as far as possible, these deformities.

The valuable cooperation of parents is especially desired to the end that incorrect or faulty positions at home may be corrected and the child taught to sit and recline properly.

Fewer notices are required concerning carious teeth, as parents are taking more care of this very important factor in the hygienic welfare of the child.

Respectfully submitted,

F. H. FULLER,
School Physician.

To the Superintendent of Schools of Walpole:

I hereby submit my report of work done at the High, Fisher and Boyden Schools.

The two lower schools showed little more serious than pediculosis and carious teeth. At the Fisher School, more adjustable seats are needed.

At the Boyden School, there should be better toilet facilities on the boys' side, though we must admit that what is there at present might be (and should be) kept in better condition.

At the High School, there was found one case of valvular heart weakness, one slightly curved spine, and in one case a suggestion of possible tuberculosis. These were all brought to the attention of the pupils, who will be watched, and not allowed to neglect themselves for lack of warning, which will also be repeated to the parents.

General conditions of physical deportment, especially in the High School, are deplorable. Boys and girls alike pass up and down the street with shoulders stooped and feet shuffling as they should not do even at the age of 70. More *physical* culture is *needed* and *every day every pupil* should go through some form of setting-up exercise under competent instruction; which the principals of the schools are able to give if a special instructor cannot be had.

School lunch-rooms, where for a few cents, something nutritious and hot could be had, is a suggestion which has been carried out successfully in other places, and could be done with great benefit here. But until the lunch-room comes, milk, eggs, and bread in any form or combinations should form the bulk of every school luncheon carried by the pupils. Sandwiches of almost infinite variety are all right, but pie is not essential, neither is cake—and tea and coffee are especially harmful.

In closing, a few words regarding the attitude of parents and pupils. There is lack of cooperation: both parents and pupils seem to regard this work with suspicion.

Cases of pediculosis excluded from school have created a tempest (in a teapot) where a little cooperation would have cleared the atmos-

phere in twenty-four hours. Boys in the High School when told that their heart action is too rapid (presumably from cigarettes) have in most instances regarded the information as a joke. Cigarettes, tobacco in any form, coffee, tea, and moving-pictures, I would put on the forbidden list for all school pupils. Those who indulge are placing a mortgage on their future health for which they will certainly have to pay some time. Cooperation of the parents is the only way in which this matter can be reached—it is the only way in which the medical inspection of schools in any of its phases can be at all effective; and without such cooperation, there might as well be no inspection at all.

Respectfully submitted,

THOMAS M. PROCTOR, M. D.

School Physician.

Walpole, Mass., Jan. 1, 1912.

EAST WALPOLE, MASS., Jan. 11, 1912.

To the Superintendent of Schools:

During the past two terms in which I have been conversant with the conditions at the Bird School, it has happily been free from any of the infectious diseases.

During the fall term, with the assistance of another physician, all children in attendance were examined. Few organic cases were discovered, nearly all the children being in a healthy, well nourished condition.

A more or less routine examination was made, particularly in the lower grades, and the most striking discovery noted was the large number of cases of adenoids and carious or defective teeth.

Of 278 children examined, about 17% showed the presence of adenoids, although an operation would seem indicated in only a small proportion of the cases. In Grade I. adenoids appeared in nearly 30% of the children, while in the upper grades their appearance was rare.

Of the 278 children, about 49% showed decayed or defective teeth; the percentage running as high as 57% in the Third Grade, while in the Seventh and Eighth Grades, the teeth showed better care.

This discrepancy is in a measure due to the unstable nature of the teeth, but also to the indifference shown by parents to the preservation of the first set of teeth.

A few cases of spinal curvature were found, most of which could be corrected by attention on the part of parents with the cooperation of the teachers.

Of children who are evidently congenitally feeble-minded, five were noted. One, who had been in the first Grade for three years

without making progress, and whose influence upon the others was demoralizing, was removed from school, and the other cases will be considered later.

Such recommendations as I have to make will be incorporated in the conclusions and recommendations noted below.

Respectfully submitted,

GEORGE B. COON, M. D.

School Physician:

The figure at right of subject denotes the year it is taken.

English and Music are required each year. Algebra is required of all Freshmen.

An upper class man may take any of the courses offered to classes below his own.

Eighty points are required for graduation or an average of twenty points each year.

Music Pedagogy.

Special Student Teachers from Framingham Normal:

Mary Adams, Geneva C. Smith,

Marion E. Pendleton, Elizabeth Smith,

Alberta Whitney, Lou Lombard,

Helen L. Meserve, Delight Standish.

EXTRACTS FROM SCHOOL LAWS.

AUTHORITY OF SCHOOL COMMITTEES OVER ORGANIZATIONS OF SCHOOL PUPILS.

Chapter 251, Acts of 1906, provides as follows:—

Section 1. The school committee may supervise and control all athletic organizations composed of pupils of the public schools and bearing the name of the school.

Section 2. It may directly or through an authorized representative determine under what conditions such organizations may enter into competition with similar organizations in other schools.

SCHOOL COMMITTEES MAY EXPEND MONEY FOR THE SUPERVISION OF SPORTS.

Chapter 314, Acts of 1911, provides as follows:—

SECTION 1. School committees in cities and towns may expend money, as it is now expended for public school purposes, for the supervision of play and games on land under their control and for the equipment thereof.

FEMALE ASSISTANTS

SECTION 17. In every public school having an average of fifty pupils, one or more female assistants shall be employed unless the town votes otherwise.

VACCINATION OF CHILDREN; ALSO EXCLUSION FROM SCHOOL ON ACCOUNT OF CONTAGIOUS DISEASE.

SECTION 6. (As amended by chapter 371, Acts of 1906, and chapter 215, Acts of 1907.) A child who has not been vaccinated shall not be admitted to a public school except upon presentation of a certificate granted for cause stated therein, signed by a regular practising physician that he is not a fit subject for vaccination. A child who is a member of a household in which a person is ill with small pox, diphtheria, scarlet fever, measles, or any other infectious or contagious disease, or of a household exposed to such contagion from another household as aforesaid, shall not attend any public school during such illness until the teacher of the school has been furnished with a certificate from the board of health of the city or town, or from the attending physician of such person, stating that danger of conveying such disease by such child has passed.

[Revised Laws, Chapter 44].

SCHOOL ATTENDANCE.

ATTENDANCE COMPULSORY BETWEEN SEVEN AND FOURTEEN YEARS OF AGE, AND UNDER SIXTEEN IN CERTAIN CASES.

SECTION 1. (*As amended by chapter 320, Acts of 1905, and chapter 383, Acts of 1906.*) Every child between seven and fourteen years of age, and every child under sixteen years of age who cannot read at sight and write legibly simple sentences in the English language, shall attend some public day school in the city or town in which he resides during the entire time the public day schools are in session, subject to such exceptions as to children, places of attendance and schools as are provided for in section three of chapter forty-two and sections three, five and six of this chapter. The superintendent of schools, or, if there is no superintendent of schools, the school committee, or teachers acting under authority of said superintendent or committee, may excuse cases of necessary absence. The attendance of a child upon a public day school shall not be required if he has attended for a like period of time a private day school approved by the school committee of such city or town in accordance with the provisions of the following section, or if he has been otherwise instructed for a like period of time in the branches of learning required by law to be taught in the public schools, or if he has already acquired such branches of learning, or if his physical or mental condition is such as to render such attendance inexpedient or impracticable. Every person having under his control a child as described in this section shall cause him to attend school as herein required; and if he fails for five day sessions or ten half day sessions within any period of six months while under such control to cause such child, whose physical or mental condition is not such as to render his attendance at school harmful or impracticable, so to attend school, he shall, upon complaint by a truant officer and conviction thereof, be punished by a fine of not more than twenty dollars: *provided, however*, that no physical or mental condition which is capable of correction, or which renders the child a fit subject for special instruction at public charge in institutions other than the public day schools, shall avail as a defence under the provisions of this section unless it shall be made to appear that the defendant has employed all reasonable measures for the correction of the condition, or the suitable instruction of the child. Whoever induces or attempts to induce a child to absent himself unlawfully from school, or employs or harbors a child who, while school is in session, is absent unlawfully from school shall be punished by a fine of not more than fifty dollars.

EMPLOYMENT OF WOMEN AND CHILDREN.

[Chapter 514, Acts of 1909.]

GENERAL PROVISIONS.

SECTION 17. The following words and phrases as used in all laws relative to the employment of labor shall, unless a different meaning is plainly required by the context, have the following meanings:—

(As amended by chapter 241, Acts of 1911.)

“Child” or “Minor” shall mean a person under eighteen years of age, except that in regard to the compulsory attendance of illiterate minors at evening schools, the word “Minor” shall mean a person under the age of twenty-one years.

“Factory” shall mean any premises where steam, water or other mechanical power is used in aid of any manufacturing process there carried on.

“Mercantile establishments” shall mean any premises used for the purposes of trade in the purchase or sale of any goods or merchandise, and any premises used for the purposes of a restaurant or for publicly providing and serving meals.

“Public building” shall mean any building or premises used as a public or private institution, church, theatre, public hall, place of public entertainment, resort or assemblage.

“School house” shall mean any building or premises in which public or private instruction is afforded to not less than ten pupils at one time.

“Workshop” shall mean any premises, room or place, which is not a factory as above defined, wherein manual labor is exercised by way of trade or for purposes of gain in or incidental to a process of making, altering, repairing, ornamenting, finishing or adapting for sale any article or part of an article, and to which or over which premises, room or place the employer of the persons working therein has the right of access or control; but the exercise of such manual labor in a private house or private room by the family dwelling therein or by any of them or if a majority of the persons therein employed are members of such family, shall not of itself constitute such house or room a workshop within this definition.

WHEN CHILDREN UNDER FOURTEEN, AND CHILDREN OVER FOURTEEN AND UNDER SIXTEEN, MAY NOT BE EMPLOYED.

SECTION 56. No child under the age of fourteen years, and no child who is over fourteen and under sixteen years of age who does not have a certificate as required by the four following sections certifying to the child's ability to read at sight and to write legibly simple sentences in the English language shall be employed in any factory, workshop or mercantile establishment. The ability to read

at sight and to write legibly simple sentences in the English language shall be construed as meaning such ability to read and write as is required for admission to the fourth grade of the public schools of the city or town in which such minor lives. No child under the age of fourteen years shall be employed at work performed for wages or other compensation, to whomsoever payable, during the hours when the public schools of the city or town in which he resides are in session, or be employed at work before six o'clock in the morning or after seven o'clock in the evening. But minors to whom the provisions of this section apply shall be permitted to work on Saturdays between the hours of six in the morning and seven in the evening in mercantile establishments.

PROVISIONS RELATING TO EMPLOYMENT OF CHILDREN UNDER SIXTEEN AND MINORS.

SECTION 57. No child under sixteen years of age shall be employed in a factory, workshop or mercantile establishment unless his employer procures and keeps on file, accessible to the truant officers of the city or town, and to the district police and inspectors of factories and public buildings, an age and schooling certificate and keeps two complete lists of all such minors employed therein, one on file, and one conspicuously posted near the principal entrance of the building in which such children are employed, and also keeps on file and sends to the superintendent of schools, or, if there is no superintendent, to the school committee, a complete list of the names of all minors employed therein who cannot read at sight and write legibly simple sentences in the English language.

AGE AND SCHOOLING CERTIFICATES OF MINORS.

SECTION 58. (*As amended by section 3 of chapter 257, Acts of 1910, and chapter 269, Acts of 1911.*) An age and schooling certificate shall be approved only by the superintendent of schools or by a person authorized by him in writing, or, if there is no superintendent of schools, by a person authorized by the school committee; but no member of a school committee or other person authorized as aforesaid shall approve such certificate for any minor then in or about to enter his own employment or the employment of a firm or corporation of which he is a member, officer or employee. The printed form of such age and schooling certificate shall be provided by the chief of the district police. No such certificate shall be approved by any person unless he is satisfied that the minor therein named is able to read at sight and to write legibly simple sentences in the English language, as is required for admission to the fourth grade of the public schools of the city or town in which such minor lives, nor until such person has received a certificate signed by a physician, as provided in chapter five hundred and two of the acts of the year nineteen hundred and six and acts passed in amendment

thereof, or by a physician appointed by the school committee, stating that said minor has been examined by him and in his opinion is in sufficiently sound health and physically able to perform the work which the minor intends to do: *provided, however*, that the age and schooling certificate may be approved and issued without a physician's certificate if there shall be on file in connection with the public schools a written record in regard to the child's physical condition made within one year and the person authorized to approve said age and schooling certificate after having examined such record shall certify that in his opinion said minor is in sufficiently sound health and physically able to perform the work which the minor intends to do. The person who approves the certificate may administer the oath provided for therein, but no fee shall be charged therefor.

SECTION 59. An age or schooling certificate shall not be approved unless satisfactory evidence is furnished by a certificate of birth or baptism of such minor, or by the register of birth of such minor with a city or town clerk, that such minor is of the age stated in the certificate, except that other evidence, under oath, may be accepted in the case the superintendent or person authorized by the school committee, as provided in the preceding section, decides that neither the certificate of birth or baptism, nor the register of birth is available for the purpose. The certificate of the superintendent of the Lyman school for boys or of the state industrial school for girls given to a child who has been an inmate of such school, shall be sufficient evidence as to the age and ability to read at sight and to write legibly simple sentences in the English language.

EMPLOYMENT TICKET AND AGE AND SCHOOLING CERTIFICATE.

SECTION 60. (*As amended by section 4 of chapter 257, Acts of 1910.*) The age and schooling certificate of a minor under sixteen years of age shall not be approved and signed until he presents to the person who is authorized to approve and sign it an employment ticket duly filled out and signed. A duplicate of each age and schooling certificate shall be filled out and shall be kept on file by the school committee. Any explanatory matter may, in the discretion of the school committee or superintendent of schools, be printed with such certificate. The employment ticket and the age and schooling certificate shall be separately printed and shall be filled out, signed and held or surrendered as indicated in the following forms:—

EMPLOYMENT TICKET, ST. 1909, c. , sec. 100.

When [name of minor] , height [feet and inches] ,
 complexion [fair or dark] , hair [color] , presents an
 age and schooling certificate duly signed, I intend to employ [him
 or her].

(Signature of intending employer or agent.)

(Town or city and date).

AGE AND SCHOOLING CERTIFICATE, ST. 1909, c. sec. , .

This certifies that I am the [father, mother, guardian or custodian] of [name of minor] , and that [he or she] was born at [name of city or town] , in the county of [name of county, if known] , and state [or county] of , on the [day and year of birth] , and is now [number of years and months] old.

(Signature of father, mother, guardian or custodian).

(City or town and date).

Then personally appeared before me the above named [name of person signing] , and made oath that the foregoing certificate by [him or her] signed is true to the best of [his or her] knowledge and belief. I hereby approve the foregoing certificate of [name of minor] , height [feet and inches] , complexion [fair or dark] , hair [color] , having no sufficient reason to doubt that [he or she] is of the age therein certified. I hereby certify and am satisfied that [he or she] can read at sight and can write legibly simple sentences in the English language. I further certify that in my opinion (or in the opinion of physician by whom said minor has been examined in accordance with section fifty-eight of the above chapter) he (or she) is in sufficiently sound health and physically able to perform the work which he (or she) intends to do.

This certificate belongs to [name of minor in whose behalf it is drawn] , and is to be surrendered to [him or her] whenever [he or she] leaves the service of the corporation or employer holding the same; but if not claimed by said minor within thirty days after such time, it shall be returned to the superintendent of schools, or, if there is no superintendent of schools, to the school committee.

(Signature of person authorized to approve and sign,
with official character or authority).

(City or town and date).

In the case of a minor who cannot read at sight and write legibly simple sentences in the English language, the certificate shall continue as follows, after the word "language":—

I hereby certify that [he or she] is regularly attending the [name] public evening school. This certificate shall continue in force only so long as the regular attendance of said minor at the evening school is endorsed weekly by a teacher thereof.

PENALTY FOR CERTIFYING TO FALSE STATEMENT.

Whoever, being authorized to sign the foregoing certificate, knowingly certifies to any materially false statement therein shall be punished by a fine of not more than fifty dollars.

ILLEGAL EMPLOYMENT OF MINORS AND DUTIES OF TRUANT OFFICERS.

SECTION 61. (*As amended by chapter 249, Acts of 1910*). Whoever employs a minor under the age of sixteen years, and whoever procures or, having under his control a minor under such age, permits, such minor to be employed in violation of the provisions of

sections fifty-six and fifty-seven of this act, shall for each offense be punished by a fine of not more than three hundred dollars, or by imprisonment for not more than six months, or by both such fine and imprisonment; and whoever continues to employ a minor in violation of the provisions of either of said sections, after being notified thereof by a truant officer or by an inspector of factories and public buildings, shall for every day thereafter while such employment continues be punished by a fine of not less than twenty nor more than one hundred dollars, or by imprisonment for not more than six months; and whoever forges, or procures to be forged, or assists in forging a certificate of birth of such minor, and whoever presents or assists in presenting a forged certificate of birth, to a school committee or to the person authorized by law to receive certificates, for the purpose of fraudulently obtaining the school certificate mentioned in section sixty, shall be punished by a fine of not less than one hundred nor more than five hundred dollars, or by imprisonment for not less than three months nor more than one year, or by both such fine and imprisonment.

SECTION 62. Truant officers may visit the factories, workshops and mercantile establishments in their several cities and towns and ascertain whether any minors are employed therein contrary to the provisions of this act and shall report any cases of such illegal employment to the school committee and to the chief of the district police or to the inspector of factories and public buildings. Inspectors of factories and public buildings shall visit all factories, workshops and mercantile establishments within their respective districts and ascertain whether any minors are employed therein contrary to the provisions of this act, and shall enter complaint against whoever is found to have violated any of said provisions. An inspector of factories and public buildings who knowingly and wilfully violates any provision of this section may be punished by a fine of not more than one hundred dollars.

SECTION 63. A truant officer may apprehend and take to school, without a warrant, any minor under the age of sixteen years who is employed in any factory, workshop or mercantile establishment in violation of the provisions of sections fifty-six or fifty-seven of this act, and such truant officer shall forthwith report to the police, district or municipal court or trial justice within whose judicial district the illegal employment occurs, the evidence in his possession relating to the illegal employment of any child so apprehended, and shall make complaint against whomever the court or trial justice may direct. A truant officer who knowingly and wilfully violates any provision of this section may be punished by a fine of not more than one hundred dollars for each offence.

TRUANT OFFICERS AND INSPECTORS OF FACTORIES.

SECTION 64. Inspectors of factories and public buildings, and truant officers may require that the age and schooling certificates

and lists of minors who are employed in factories, workshops or mercantile establishments shall be produced for their inspection. A failure to produce to an inspector of factories and public buildings or to a truant officer an age and schooling certificate or list required by law shall be prima facie evidence of the illegal employment of any person whose age and schooling certificate is not produced or whose name is not so listed. A corporation or other employer or any agent or officer thereof, who retains an age and schooling certificate in violation of the provisions of said certificate shall be punished by a fine of not less than ten nor more than one hundred dollars.

SECTION 65. Police, district and municipal courts and trial justices shall have jurisdiction of offences arising under the provisions of the four preceding sections. A summons or warrant issued by any such court or justice may be served, at the discretion of the court or magistrate, by an inspector of factories and public buildings, or by a truant officer, or by any officer qualified to serve criminal process.

ILLITERATE MINORS MUST ATTEND EVENING SCHOOLS.

SECTION 66. While a public evening school is maintained in the city or town in which any minor resides who is over fourteen years of age and who does not have a certificate signed by the superintendent of schools, or by the school committee, or by some person acting under authority thereof, certifying to his ability to read at sight and write legibly simple sentences in the English language, no person shall employ him, and no parent, guardian or custodian shall permit him to be employed unless he is a regular attendant at such evening school or at a day school; but, upon presentation by him of a certificate signed by a registered practising physician and satisfactory to the superintendent of schools, or, if there is no such superintendent, to the school committee, showing that his physical condition would render such attendance in addition to daily labor prejudicial to his health, said superintendent or school committee shall issue a permit authorizing his employment for such period as said superintendent or school committee may determine. Said superintendent or school committee, or teachers acting under authority thereof, may excuse any absence from such evening school which arises from justifiable cause. Any minor not holding such certificate shall furnish to his employer a record of his school attendance each week while the evening school is in session, and when said record shows unexcused absences from the sessions, his attendance shall be deemed irregular according to this act. Whoever employs a minor in violation of the provisions of this section shall forfeit not more than one hundred dollars for each offence to the use of the evening schools of such city or town. A parent, guardian or custodian who permits a minor under his control to be employed in violation of the provisions of this section shall forfeit not more than twenty dollars to the use of the evening schools of such city or town.

EMPLOYMENT OF CERTAIN MINORS IN FACTORIES, WORKSHOPS AND
MERCANTILE ESTABLISHMENTS.

Chapter 310, Acts of 1911, provides as follows:—

SECTION 1. No illiterate minor between the age of sixteen and twenty-one years shall be employed in a factory, workshop, mechanical or mercantile establishment unless his employer procures and keeps on file, accessible to the truant officers of the city or town and to the district police and inspectors of factories and public buildings, a certificate showing that such minor is sixteen years of age or over. Said certificate shall give the place and date of birth of such minor and his personal description. The printed form of the certificate shall be provided by the chief of the district police and shall be approved by the attorney general.
